18 addresses identified in Exhibit B to the Complaint. Such subpoena may request the
19 name, street address, and e-mail address (but not the phone number) of the subscriber
connected with each such IP address. An ISP served with a subpoena authorized by this
Minute Order shall give written notice **and copies of the subpoena and this Minute**
Order to the affected subscriber, via first-class U.S. mail, and via e-mail if practicable,
within seven (7) days after receipt of the subpoena. The ISP shall not disclose the
information sought in the subpoena during the 30-day period after notice is sent to the
subscriber.

20 (2) Any objection to the subpoena by either the ISP or the affected subscriber
21 must be served on plaintiff's counsel **within 30 days after receipt of the subpoena.**
Such objection must be sent to David A. Lowe via either first-class U.S. mail at Lowe
22 Graham Jones PLLC, 701 Fifth Avenue, Suite 4800, Seattle, WA 98104, or e-mail at

2 served (or filed), plaintiff's counsel shall immediately notify the ISP, and the ISP shall
3 preserve the material responsive to the subpoena at issue, but it shall not disclose the
4 information sought therein, until further order of the Court. An objection need **not**
5 contain the subscriber's name, address, or other identifying information, but it must
6 specify the IP address as to which the challenged subpoena was issued.

7 (3) If no objection is served, the ISP shall comply with the subpoena as soon as
8 practicable after the termination of the 30-day waiting period, **but no later than 60 days**
9 **after receipt of the subpoena.**

10 (4) The Clerk is directed to send a copy of this Minute Order to all counsel of
