MINUTE ORDER

11 The following Minute Order is made by direction of the Court, the Honorable  
12 Thomas S. Zilly, United States District Judge:

13 (1) Plaintiffs' motion to extend the deadline to reopen this case, docket no. 18,  
14 is RENOTED to May 18, 2018. The certificate of service attached to plaintiffs' motion  
15 indicates that it was "served" via the Court's Case Management and Electronic Case  
16 Filing ("CM/ECF") system. Defendant, however, never answered the complaint, and no  
17 attorney has appeared on defendant's behalf, so the CM/ECF system is not an effective  
18 means of serving papers on defendant. If the parties perfect their settlement by May 13,  
19 2018, as plaintiffs anticipate, then plaintiffs shall withdraw their motion to extend the  
20 deadline to reopen this case. On the other hand, if the settlement is not perfected by such  
21 date and plaintiffs wish to proceed forward with their motion, they shall arrange for  
22 service of their motion on defendant and file proof of such service on or before May 18,  
23 2018.

(2) The Clerk is directed to send a copy of this Minute Order to all counsel of  
record.

Dated this 27th day of April, 2018.
