1 Plaintiffs/Counter-Defendants Cloanto Corporation, Amiga, Inc., Amino Development  
2 Corporation, and ITEC, LLC (“Plaintiffs”) together with Defendant/Counterclaim Plaintiff  
3 Hyperion Entertainment C.V.B.A. (“Defendant”) (collectively, the “Parties”), pursuant to LCR  
4 7(d)(1) and LCR 10(g), jointly move the Court for an order extending, by approximately four  
5 months, the dates in the Court’s Order Setting Trial Date and Related Dates (Dkt. #32).  
6 Additional time is needed to complete discovery given the procedural posture of this consolidated  
7 action, the complex nature of the pending claims and counterclaims, the complexity and difficulty  
8 in working with international parties, a pending procedural action in the European Union  
9 involving Hyperion’s corporate status, and the effect of the Court’s recent decisions (Dkt. #s 68-  
10 69) on Defendant’s Motion to Dismiss in Part Plaintiffs’ Second Amended Complaint (Dkt. # 52)  
11 and Plaintiffs’ Motion to Extend Deadlines in Scheduling Order to Permit Plaintiffs to File a Third  
12 Amended Complaint (Dkt. #s 56-57).

13 On or around December 29, 2018, Plaintiffs filed a Second Amended Complaint to  
14 reorganize the Parties’ positions to reflect Cloanto Corporation, Amiga, Inc., Itec, LLC, and  
15 Amino Development Corporation as Plaintiffs, and Hyperion Entertainment CVBA as Defendant.  
16 Dkt. #46. Thereafter, Defendant moved to dismiss three of Plaintiffs’ claims on various grounds.  
17 Dkt. #52. On May 16, 2019, the Court granted in part and denied in part Defendant’s Motion to  
18 Dismiss. Dkt. #69. Accordingly, on May 30, 2019, Defendant timely filed its Answer to  
19 Plaintiffs’ Second Amended Complaint and Counterclaims. Dkt. # 70. Plaintiffs’ reply to  
20 Defendant’s counterclaims is due on June 20, 2019. *See* Fed. R. Civ. P. 12(a)(1)(B).

21 The Court’s Order Setting Trial Date and Related Dates (Dkt. #32) provides deadlines for  
22 the Parties to disclose expert testimony, file discovery motions, complete discovery, file  
23 dispositive motions, and complete other pretrial deadlines. However, given the effect of the  
24 Court’s recent orders (Dkt. #s 68-69) and the resulting procedural posture of this consolidated  
25 action, the Parties respectfully request the Court reschedule certain remaining discovery and  
26 pretrial deadlines. Further, Hyperion is involved in a legal proceeding in the European Union that  
27

1 is expected to conclude toward the end of June 2019. The proceeding centers on whether  
2 Hyperion may continue as a legal entity in Belgium.

3 The Parties jointly submit there is good cause to extend the deadlines recited below to  
4 allow the Parties to proceed with and complete discovery following Plaintiffs' reply to  
5 Defendant's counterclaims on June 20, 2019. The Parties have been and continue to engage in  
6 discovery in good faith. The Parties have exchanged documents and disclosures of witnesses. The  
7 Parties have also engaged in written fact discovery and anticipate scheduling depositions of  
8 certain Fed. R. Civ. P. 30(b)(6) and percipient witnesses during August 2019 in Seattle—dates  
9 that the Parties have been actively working towards for several months. The Parties also  
10 anticipate participating in a settlement conference in August, following those depositions.

11 Currently, the discovery completion deadline is August 12, 2019. A short four-month  
12 extension of the remaining deadlines is necessary to complete these depositions and to allow the  
13 Parties to engage in any additional third party and fact discovery thereafter.

14 On February 28, 2019, Plaintiffs sought to modify the Court's Order to permit Plaintiffs to  
15 file a third amended complaint. Dkt. #56. The Court denied Plaintiffs' Motion. Dkt. #65. The  
16 Parties' current request does not include a request for leave to add new parties, to amend claims,  
17 or to extend expert disclosures. Instead, the Parties jointly respectfully request the Court extend  
18 the following:

<u>Deadline/Event</u>	<u>Current</u>	<u>Proposed</u>
Disclosure for filing motions related to discovery. Any such motions shall be noted for consideration pursuant to LCR 7(d)(3)	07/12/2019	11/08/2019
Discovery completed by	08/12/2019	12/10/2019
All dispositive motions must be filed by and noted on the motion calendar no later than the fourth Friday thereafter (see LCR 7(d))	09/10/2019	01/08/2020

1	Mediation per LCR 39.1(c)(3), if		
2	requested, held no later than	10/25/2019	02/21/2020
3	All motions in limine must be filed by	11/12/2019	03/11/2020
4	and noted on the motion calendar no		
	later than the THIRD Friday thereafter		
5	Agreed pretrial order due	11/27/2019	03/26/2020
6	Pretrial conference to be scheduled by		
7	the Court		
8	Trial brief, proposed voir dire questions,	12/04/2019	04/02/2020
9	jury instructions, neutral statement of the		
	case, and trial exhibits due		

11 The Parties' joint request is not sought for purposes of delay. Rather, because of the  
12 procedural posture of this consolidated action following the reorientation of the Parties' positions,  
13 the complex nature of the claims and counterclaims at issue, and this Court's recent decisions, the  
14 Parties believe a four-month extension is necessary to effectively complete remaining discovery  
15 and pretrial deadlines.

16 As such, the Parties respectfully request the Court extend the remaining deadlines in the  
17 Court's Order Setting Trial Date and Related Deadlines.

18 Respectfully submitted this 12th day of June, 2019.
