20	STIPULATED MOTION AND ORDER FOR	BADGLEY MULLINS TURNER PLLC

TEMPORARY STAY OF CASE OF 150 DAYS -1 Case No.: 2:18-cv-00757-RSM

ADGLEY MULLINS TURNER PLLC 19929 Ballinger Way NE, Suite 200 Seattle, WA 98155 TEL 206.621.6566 FAX 206.621.9686 In the subsequent twelve months, the Parties have participated in substantial documentary discovery, including the production of timekeeping and payroll data for Defendants' employees, who comprise the putative class.

3. Counsel for the Parties have conferred regarding the relevant factual and legal issues in this case, and whether it would be preferable to participate in early mediation before undertaking signification litigation and motions practice relating to the validity of the Plaintiffs' claims and theories. The Parties have also considered the Court's practice of encouraging litigants to explore early settlement initiatives that might shorten the duration and cost of litigation.

4. As result of these discussions, the Parties have agreed that before Plaintiffs further litigate their claims and move the Court for class certification, and before Defendants pursue their defenses (including motions practice), it is in the best interest of the Parties to explore settlement of this matter by way of mediation. In line with this agreement, the Parties have agreed to continue documentary and deposition discovery to allow an informed and thorough mediation process.

5. The Parties believe that in the next 150 days, they can: (1) agree upon a neutral mediator and schedule a mediation session; (2) complete the discovery necessary to prepare for mediation; and (3) conduct the mediation. However, the Parties also agree that if they are simultaneously attempting to comply with Court deadlines and participate in motions practice, this would reduce their ability to constructively participate in mediation.

On the basis of the foregoing, the Parties request the Court enter an Order staying this action for all purposes for a period of at least 150 days so that the Parties may conduct early settlement efforts.
