**ORDER GRANTING STIPULATED  
MOTION FOR CERTIFICATION OF  
SETTLEMENT CLASS AND FOR  
PRELIMINARY APPROVAL OF CLASS  
ACTION SETTLEMENT**

Before the Court is the Parties’ Stipulated Motion for Certification of Settlement Class and for Preliminary Approval of Class Action Settlement (the “Stipulated Motion”). The Court has considered the Stipulated Motion, together with its supporting declarations and exhibits.

This Court has reviewed the Parties’ Conditional Settlement Agreement (“Agreement”), as well as the files, records, and proceedings to date in this matter. For purposes of this Order, capitalized terms used below shall have the meaning ascribed to them in the Stipulated Motion, unless otherwise defined.

Based on this Court’s review of the Agreement and all of the files, records, and proceedings herein, the Court concludes, upon preliminary examination, that the Agreement and

ORDER GRANTING STIPULATED MOTION FOR  
CERTIFICATION OF SETTLEMENT CLASS AND  
FOR PRELIMINARY APPROVAL OF CLASS  
ACTION SETTLEMENT - 1

1 Settlement appear fair, reasonable, and adequate, and within the range of reasonableness for  
2 preliminary settlement approval, and that a hearing should and will be held after notice to the  
3 Settlement Class (as defined in Paragraph B below) to confirm that the Agreement and  
4 Settlement are fair, reasonable, and adequate and to determine whether the Settlement should be  
5 approved and final judgment entered in this action based upon the Agreement.

6  
7 IT IS HEREBY ORDERED THAT:

8 **A. Preliminary Approval of Proposed Settlement.**

9 The Agreement is preliminarily approved as fair, reasonable, and adequate and within  
10 the range of reasonableness for preliminary settlement approval. The Court finds that: (a) the  
11 Agreement resulted from extensive arm's length negotiations; and (b) the Agreement is  
12 sufficient to warrant notice of the Settlement to persons in the Settlement Class and a full  
13 hearing on the approval of the Settlement.

14 **B. Class Certification For Settlement Purposes Only.**

15 Pursuant to Federal Rule of Civil Procedure 23(c), the Court conditionally certifies, for  
16 settlement purposes only, the following Settlement Class:

17 All hourly employees at Employers' Sea-Tac International Airport ("STIA")  
18 facility who worked on the Amazon contract during the period between May 15,  
19 2016 and November 21, 2020, and who have not disclaimed in sworn testimony  
20 experiencing missed meal or rest periods.

21 The Court finds that the numerosity, commonality, typicality, and adequacy  
22 requirements of Rule 23(a) are satisfied for settlement purposes. The Court also finds  
23 that the predominance, manageability, and superiority requirements of Rule 23(b)(3) are  
24 satisfied for settlement purposes.

25 Accordingly, the Court orders as follows:

1. Plaintiffs are appointed Class Representative; and

1 2. Plaintiffs' counsel are hereby appointed and designated as counsel for the above-  
2 described Settlement Class and are authorized to act on behalf of the members of the  
3 Settlement Class.

4 **C. Settlement Hearing.**

5 A final approval hearing (the "Settlement Hearing") shall be held before the Honorable  
6 Ricardo S. Martinez on June 3, 2021, at 9:00 a.m. as set forth in the Notice to the Settlement  
7 Class, to determine whether the Agreement is fair, reasonable, and adequate and should be  
8 approved. Papers in support of final approval of the Agreement, the incentive award to  
9 Plaintiffs, and Class Counsel's application for an award of attorneys' fees, costs and expenses  
10 (the "Fee Application") shall be filed with the Court according to the schedule set forth in  
11 Paragraph M below. The Final Settlement Approval Hearing, and all dates provided for herein,  
12 may, without further notice to the Class, be continued or adjourned by order of this Court. After  
13 the Settlement Hearing, the Court may enter a settlement order and final judgment in accordance  
14 with the Agreement that will adjudicate the rights of the Settlement Class Members with respect  
15 to the Released Claims being settled. The scope of the Released Claims shall be: "those arising  
16 under the Washington Minimum Wage Act, RCW 49.46 *et seq.*, the Washington Wage Rebate  
17 Act, RCW 49.52 *et seq.*, the Washington Industrial Welfare Act, RCW 49.12 *et seq.*, and any  
18 claim to attorneys' fees and costs based on the claims released in this Paragraph, which were  
19 affirmatively asserted or could have been asserted in the Lawsuit.

20 **D. Class Notice.**

21 Class Notice shall be sent within thirty (30) days following entry of this Order. CMT is  
22 appointed as Claims Administrator.

23 **E. Mail Notice.**

24 The Claims Administrator will provide mail notice to persons in the Settlement Class for  
25 whom the Defendants possess mailing addresses. Mail Notice will be sent via first-class mail to  
the most recent mailing address as reflected in reasonably available employment records of the

1 Defendant. Skip tracing shall be performed by the Claims Administrator for all returned mail.  
2 The Claims Administrator will also provide e-mail notice to Settlement Class Members' last  
3 known e-mail address, when available.

4 **F. Findings Concerning Class Notice.**

5 The Court finds that the foregoing program of Class Notice and the manner of its  
6 dissemination is the best practicable notice under the circumstances and is reasonably calculated  
7 to apprise the Settlement Class of the pendency of this action and their right to object to or  
8 exclude themselves from the Settlement Class. The Court further finds that the Class Notice  
9 program is reasonable, that it constitutes due, adequate, and sufficient notice to all persons  
10 entitled to receive notice and that it meets the requirements of due process and FRCP 23. The  
11 Court hereby approves the Notice in substantially the same form as that attached as Exhibit Two  
12 to the Declaration of Duncan C. Turner filed in support of the Stipulated Motion.

13 **G. Administration.**

14 The Court confirms that it is appropriate for the Defendants to provide the information  
15 necessary to provide the notice contemplated herein and to administer the settlement, including  
16 names, addresses, and personal identifying information.

17 **H. Exclusion from the Settlement Class.**

18 Persons in the Settlement Class will possess the right to opt out by sending a written  
19 request to a designated address within thirty (30) days after the Notice Mailing Date. All  
20 Settlement Class Members who do not opt out in accordance with the terms set forth herein will  
21 be bound by all determinations and judgments in this action. Exclusion requests must contain  
22 the person's name, address, telephone number, and signature, and must include the following  
23 statement: "I request to be excluded from the class settlement in *Bautista v. WFS Express, Inc.*,  
24 No. 2:18-cv-00757 RSM." The Claims Administrator will retain a copy of all requests for  
25 exclusion. Not later than 15 days from the exclusion deadline, the Claims Administrator shall  
file with the Court a declaration that provides copies of all exclusion requests received.

1           I.       **Objections and Appearances.**

2           Any person in the Settlement Class who has not timely submitted a valid request for  
3 exclusion from the Settlement Class, and thus is a Settlement Class Member, may object to the  
4 proposed Settlement and appear at the Final Approval Hearing to argue that the proposed  
5 Settlement should not be approved and/or to oppose the application of Class Counsel for an  
6 award of attorneys' fees and the incentive award to the named Plaintiffs.

- 7                   1. In order to object to the Settlement, a Settlement Class member must make  
8                   any objection in writing and file it with the Court and serve on all Parties not  
9                   later than thirty (30) days after the Notice Mailing Date. The objection must  
10                  include the person's name, address, telephone number, and signature, and  
11                  must set forth, in clear and concise terms, the legal and factual arguments  
12                  supporting the objection. Any objections that are not timely filed and mailed  
13                  shall be forever barred.
- 14                  2. In order to speak at the hearing, a Settlement Class member also must file with  
15                  the Court and serve on all Parties a Notice of Intention to Appear at the  
16                  Fairness Hearing with the Court no later than thirty (30) days after the Notice  
17                  Mailing Date. The Notice must include the person's name, address, telephone  
18                  number, and signature.

19           J.       **Further Papers In Support Of Settlement And Fee Application.**

20           Class Counsel's Motion for Attorneys' Fees and the Motion for Final Approval shall  
21 be filed within thirty (30) days of the Exclusion/Objection Deadline as provided in Paragraph  
22 M.

1           **K. Effect of Failure to Approve the Agreement.**

2           In the event the Agreement is not approved by the Court, or for any reason the Parties  
3 fail to obtain a Final Judgment as contemplated in the Agreement, or the Agreement is  
4 terminated pursuant to its terms for any reason, then the following shall apply:

- 5                     1. All orders and findings entered in connection with the Agreement shall  
6                     become null and void and have no further force and effect, shall not be used or  
7                     referred to for any purposes whatsoever, and shall not be admissible or  
8                     discoverable in any other proceeding;
- 9                     2. The conditional certification of the Settlement Class pursuant to this Order  
10                    shall be vacated automatically and void; no doctrine of waiver, estoppel, or  
11                    preclusion shall be asserted in any litigated certification proceedings in the  
12                    Action;
- 13                    3. The Agreement and its existence shall be inadmissible to establish any fact or  
14                    any alleged liability of the Defendant for the matters alleged in this action or  
15                    for any other purpose; and
- 16                    4. Nothing contained in this Order is, or may be construed as, any admission or  
17                    concession by or against the Defendant or Plaintiffs on any point of fact or  
18                    law.

18           **L. Stay/Bar Of Other Proceedings.**

19           All proceedings in this action are stayed until further order of the Court, except as may  
20 be necessary to implement the terms of the Settlement. Pending final determination of  
21 whether the Settlement should be approved, Plaintiffs, all persons in the Settlement Class and  
22 persons purporting to act on their behalf are enjoined from commencing or prosecuting (either  
23 directly, representatively, or in any other capacity) against any of the Released Parties any  
24 action, arbitration, or proceeding in any court, arbitration forum, or tribunal asserting any of  
25 the Released Claims as defined in the Agreement.
