STIPULATED MOTION FOR BRIEF TWO-  
 DAY EXTENSION TO FILE MOTIONS IN  
 LIMINE

**NOTED FOR CONSIDERATION:  
 January 5, 2021**

The parties jointly move for an Order briefly extending the deadline to file motions in limine by two days, from January 5, 2021 to January 7, 2021. The parties have been working diligently to reach stipulations about disputed evidentiary issues and have made significant progress. The parties believe an extra two days would help alleviate the need for several motions in limine. Therefore, the parties believe there is good cause of this brief extension. The parties agree to note and brief the motions in accordance with the normal deadlines in spite of the two-day extension.
