

1 Pursuant to Fed. R. Civ. P. 15(a), at this point in the litigation, Plaintiff “may amend [his]
2 pleading only by leave of the court or by written consent of the adverse party; and leave shall be
3 freely given when justice so requires.” In determining whether to allow an amendment to a
4 complaint Courts consider the following factors: “the presence or absence of undue delay, bad
5 faith, dilatory motive, undue prejudice to the opposing party, and futility of the proposed
6 amendment.” *Moore v. Kayport Package Express, Inc.*, 885 F.2d 531, 538 (9th Cir. 1989).

7 Here, Defendants indicate they do not have a basis to oppose Plaintiff’s motion to amend
8 his complaint and it does not appear the current Defendants will be prejudiced by the
9 amendment. Furthermore, Plaintiff indicates he recently became aware of the new Defendant’s
10 name. The Court finds that, under the liberal amendment standard, Plaintiff should be permitted
11 to amend his complaint under the circumstances.

12 Accordingly, the Court GRANTS Plaintiff’s motion for leave to file a second amended
13 complaint (Dkt. 56) as set forth below and **ORDERS**:

14 (1) The Clerk is directed to **docket Plaintiff’s proposed second amended complaint**
15 **(currently Dkt. 56-1) as the second amended complaint**, replace “John Doe A” with Dawn
16 Taylor, as a Defendant on the docket, and terminate the remaining “John Doe” Defendants.

17 (2) Service by Clerk

18 The Clerk is directed to send the following **to the existing Defendants who have**
19 **already appeared in this action**, David Sherman (Chaplain, WSR), Belinda D. Stewart
20 (Corrections Program Manager, WSR), Bryan King (Food Services Administrator, WSR), Mark
21 Miller, (Religious Program Manager, WSR), Department of Corrections, Jack Warner
22 (Superintendent (SOU/IMU), WSR), Scott J. Russell (Deputy Director, Command A,
23 Department of Corrections), **by email**: a copy of Plaintiff’s second amended complaint, this

1 Order, and notice of lawsuit.

2 The Clerk is directed to send the following **to the newly named defendant, Dawn**
3 **Taylor (DOC Headquarters), by email:** a copy of Plaintiff's second amended complaint, a
4 copy of this Order, a copy of the notice of lawsuit and request for waiver of service of summons,
5 and a waiver of service of summons.

6 (3) Response Required

7 The newly named defendant, Dawn Taylor, shall have **thirty (30) days** within which to
8 return the enclosed waiver of service of summons. A defendant who timely returns a signed
9 waiver shall have **sixty (60) days** after the date designated on the notice of lawsuit to file and
10 serve an answer to the complaint or a motion permitted under Rule 12 of the Federal Rules of
11 Civil Procedure. A defendant who fails to timely return a signed waiver will be personally
12 served with a summons and complaint and may be required to pay the full costs of such service,
13 pursuant to Rule 4(d)(2) of the Federal Rules of Civil Procedure. A defendant who has been
14 personally served shall file an answer or motion permitted under Rule 12 within **twenty-one (21)**
15 **days** after service.

16 The remaining Defendants shall file amended answers, or any motions permitted under
17 Rule 12, of the Federal Rules of Civil Procedure, **no later than December 20, 2021.**

18 (4) Filing and Service by Parties Generally

19 All attorneys admitted to practice before this Court are required to file documents
20 electronically via the Court's CM/ECF system. Counsel are directed to the Court's website,
21 www.wawd.uscourts.gov, for a detailed description of the requirements for filing via CM/ECF.
22 Plaintiff shall file all documents electronically. All filings must indicate in the upper right-hand
23 corner the name of the magistrate judge to whom the document is directed.

1 For any party filing electronically, when the total of all pages of a filing exceeds fifty (50)
2 pages in length, a paper copy of the document (with tabs or other organizing aids as necessary)
3 shall be delivered to the Clerk’s Office for chambers. The chambers copy must be clearly marked
4 with the words “Courtesy Copy of Electronic Filing for Chambers.”

5 Any document filed with the Court must be accompanied by proof that it has been served
6 upon all parties that have entered a notice of appearance in the underlying matter.

7 Any request for court action shall be set forth in a motion, properly filed and served.
8 Pursuant to LCR 7(b), any argument being offered in support of a motion shall be submitted as a
9 part of the motion itself and not in a separate document. The motion shall include in its caption
10 (immediately below the title of the motion) a designation of the date the motion is to be noted for
11 consideration upon the Court’s motion calendar.

12 Stipulated and agreed motions, motions to file over-length motions or briefs, motions for
13 reconsideration, joint submissions pursuant to the option procedure established in LCR 37(a)(2),
14 motions for default, requests for the clerk to enter default judgment, and motions for the court to
15 enter default judgment where the opposing party has not appeared shall be noted for consideration
16 on the day they are filed. *See* LCR 7(d)(1). All other non-dispositive motions shall be noted for
17 consideration no earlier than the third Friday following filing and service of the motion. *See* LCR
18 7(d)(3). All dispositive motions shall be noted for consideration no earlier than the fourth Friday
19 following filing and service of the motion. *Id.*

20 For electronic filers, all briefs and affidavits in opposition to either a dispositive or non-
21 dispositive motion shall be filed and served not later than 11:59 p.m. on the Monday immediately
22 preceding the date designated for consideration of the motion. If a party (i.e. a *pro se* litigant
23

1 and/or prisoner) files a paper original, that opposition must be received in the Clerk's office by
2 4:30 p.m. on the Monday preceding the date of consideration.

3 The party making the motion may file and serve, not later than 11:59 p.m. (if filing
4 electronically) or 4:30 p.m. (if filing a paper original with the Clerk's office) on the date designated
5 for consideration of the motion, a reply to the opposing party's briefs and affidavits.

6 (5) Motions to Dismiss and Motions for Summary Judgment

7 Parties filing motions to dismiss pursuant to Rule 12 of the Federal Rules of Civil
8 Procedure and motions for summary judgment pursuant to Rule 56 of the Federal Rules of Civil
9 Procedure should acquaint themselves with those rules. As noted above, these motions shall be
10 noted for consideration no earlier than the fourth Friday following filing and service of the motion.

11 Defendants filing motions to dismiss or motions for summary judge are advised that they
12 MUST serve a *Rand* notice concurrently with motions to dismiss and motions for summary
13 judgment so that *pro se* prisoner plaintiffs will have fair, timely and adequate notice of what is
14 required of them in order to oppose those motions. *Woods v. Carey*, 684 F.3d 934, 941 (9th Cir.
15 2012). The Ninth Circuit has set forth model language for such notices:

16 A motion for summary judgment under Rule 56 of the Federal Rules of
17 Civil Procedure will, if granted, end your case.

18 Rule 56 tells you what you must do in order to oppose a motion for summary
19 judgment. Generally, summary judgment must be granted when there is no
20 genuine issue of material fact – that is, if there is no real dispute about any
21 fact that would affect the result of your case, the party who asked for
22 summary judgment is entitled to judgment as a matter of law, which will
23 end your case. When a party you are suing makes a motion for summary
judgment that is properly supported by declarations (or other sworn
testimony), you cannot simply rely on what your complaint says. Instead,
**you must set out specific facts in declarations, depositions, answers to
interrogatories, or authenticated documents, as provided in Rule 56(e),
that contradict the facts shown in the defendant's declarations and
documents and show that there is a genuine issue of material fact for
trial. If you do not submit your own evidence in opposition, summary**

1 **judgment, if appropriate, may be entered against you. If summary**
2 **judgment is granted, your case will be dismissed and there will be no**
3 **trial.**

3 *Rand v. Rowland*, 154 F.3d 952, 963 (9th Cir. 1998) (emphasis added). Defendants who fail to
4 file and serve the required *Rand* notice on plaintiff may have their motion stricken from the Court's
5 calendar with leave to re-file.

6 (6) Direct Communications with District Judge or Magistrate Judge

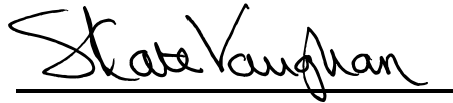

7 No direct communication is to take place with the District Judge or Magistrate Judge with
8 regard to this case. All relevant information and papers are to be directed to the Clerk.

9 (7) Pretrial Deadlines

10 The Court will issue a new pretrial scheduling order upon the filing of Defendants'
11 answers setting new deadlines for discovery and dispositive motions. The Court notes that
12 Plaintiff and the previously named Defendants have already engaged in significant discovery in
13 this case and the Court will take this into account in determining the appropriate length of the
14 discovery period and the scope of discovery.¹

15 (8) The Clerk is directed to send copies of this Order and of the Court's *pro se* instruction
16 sheet to Plaintiff. The Clerk is further directed send a copy of this Order and a courtesy copy of
17 Plaintiff's complaint to the Attorney General's Office, by first-class mail.

18 Dated this 19th day of October, 2021.

19 

20 S. KATE VAUGHAN
21 United States Magistrate Judge

22
23 _____
¹ The Court notes that Plaintiff has filed a motion to compel discovery which is noted for consideration on October 22, 2021 and will be addressed by separate order. Dkt. 63.
