vs.  
  
NORTH PACIFIC SEAFOODS, INC. et  
  
al.,  
  
Defendants.

Case No. 2:20-cv-01545-JLR

**PLAINTIFFS' ~~PROPOSED~~ ORDER  
GRANTING PRELIMINARY APPROVAL  
OF SETTLEMENT**

~~PROPOSED~~ ORDER GRANTING  
PRELIMINARY APPROVAL OF  
SETTLEMENT

1 The Plaintiffs have moved for preliminary approval of a proposed class settlement which  
2 would resolve the Plaintiffs' class action claims brought under the Fair Labor Standards Act, 29  
3 U.S.C. § 201 *et seq.*, the Alaska Wage and Hour Act, Alaska Statute 23.10.050-23.10.150, and  
4 Alaska Statute 23.10.015. Upon consideration of the motion, the Settlement Agreement, and the  
5 exhibits thereto, the Court GRANTS preliminary approval of the Settlement, finding specifically  
6 as follows.<sup>1</sup>

7 **I. Jurisdiction**

8 1. The Court preliminarily finds that it has jurisdiction over the subject matter of this  
9 action and personal jurisdiction over the parties and the members of the Settlement Class described  
10 below.

11 **II. Class Representative and Class Counsel**

12 2. The Court preliminarily appoints Named Plaintiffs Jorge Hurtado and Pedro  
13 Torres as Class Representatives.

14 3. Under Federal Rule of Civil Procedure 23(g), the following attorneys and firms  
15 are preliminarily appointed as Class Counsel:

16 Dan Drachler, WSBA #27728  
17 Henry Avery, WSBA #54086

7 **III. Rule 23 Requirements**

8 4. The Court preliminarily finds that the prerequisites for a class action under Rule  
9 23(a) have been satisfied in that: (a) the number of Settlement Class Members is so numerous that  
10 joinder of all members thereof is impracticable; (b) there are questions of law and fact common to  
11 the Settlement Class Members; (c) the claims of the Class Representatives are typical of the claims  
12 of the Settlement Class Members; and (d) the Class Representatives will fairly and adequately  
13 represent the interests of the Settlement Class Members.

14 5. The Court further preliminarily finds that the prerequisites for class certification  
15 under Rule 23(b)(3) have been satisfied in that (i) questions of law and fact common to the  
16 Settlement Class Members predominate over any questions affecting only individual Settlement  
17 Class Members; and (ii) a class action is superior to other available methods for the fair and  
18 efficient adjudication of the controversy.

19 6. The Court also preliminarily finds that the prerequisites for a collective action under  
20 the FLSA have been satisfied in that: i) Plaintiffs meet the more stringent requirement for class  
21 certification under Rule 23(b)(3), such that they necessarily meet the “similarly situated”  
22 requirement of the FLSA; and ii) the Settlement provides a separate notice to Settlement Class  
23 Members regarding their FLSA claims such that must affirmatively opt in to the collective action  
24 portion of the Settlement by cashing their Settlement checks.

25 **IV. Preliminary Approval of the Settlement**

26 7. Pursuant to the Settlement Agreement, the Defendant has agreed to pay a gross  
27 Class Settlement Fund of \$1.9 million in cash, in exchange for customary releases.

28 8. Having considered the motion for preliminary approval, the Settlement Agreement,  
and the exhibits thereto, the Court preliminarily finds that the Settlement is fair, adequate, and

1 reasonable, and in the best interests of the Settlement Class. This finding is supported by, among  
2 other things, the complex legal and factual posture of the Action, the fact that the Settlement is the  
3 result of arm’s length negotiations presided over by a neutral mediator, and settlement benefits  
4 being made available to Settlement Class Members.

5 **V. Notice and Administration**

6 9. The Court appoints Phoenix Settlement Administrators to perform the functions  
7 and duties of the Settlement Administrator set forth in the Settlement Agreement – including  
8 effectuating the notice program – and to provide such other administration services as are  
9 reasonably necessary to facilitate the completion of the Settlement.

10 10. The Court has carefully considered the notice program set forth in the Settlement  
11 Agreement. The Court finds that the notice program constitutes the best notice practicable under  
12 the circumstances and satisfies the requirements of Rule 23(c)(2), and the requirements of due  
13 process.

14 11. The Court thus approves the notice program and the form, content, and  
15 requirements of the Notice described in and attached as an exhibit to the Settlement Agreement.  
16 The Settlement Administrator shall cause the notice program to be completed according to the  
17 deadline described in the Settlement Agreement.

18 12. All costs of providing Notice to the Class Settlement Class and administering  
19 distributions from the Settlement Fund shall be paid out of the Class Settlement Fund, as provided  
20 by the Settlement Agreement.

21 **VI. Claims and Exclusions**

22 13. Each and every member of the Settlement Class shall be bound by all  
23 determinations and orders pertaining to the Settlement, including the release of all claims to the  
24 extent set forth in the Settlement Agreement, unless such persons request exclusion from the  
25 Settlement in a timely and proper manner, as hereinafter provided.

26 14. Any Settlement Class Member wishing to opt out from the Settlement shall mail a  
27 written, personally signed statement (“Opt-Out Statement”) to the Settlement Administrator that

1 states substantially as follows: “I request to be excluded from the settlement in *Torres and Hurtado*  
2 *v. North Pacific Seafoods, Inc.*, Case No. 2:20-cv-01545-JLR (United States District Court for the  
3 Western District of Washington, Seattle). I affirm that I was employed by Defendant as a Seafood  
4 Processing Employee at some point in time from October 19, 2017 through June 30, 2021.” To be  
5 effective, the Opt-Out Statement must be mailed to the Settlement Administrator, postage prepaid  
6 and postmarked by forty-five calendar days from the date of distribution of the Notice.

7 15. Any Settlement Class Member who submits a timely and valid Opt-Out Statement  
8 shall not: (i) be bound by any orders or judgments entered in this matter; (ii) be entitled to  
9 benefits or relief under the Settlement Agreement; (iii) gain any rights by virtue of the Settlement  
10 Agreement; or (iv) be entitled to object to the Settlement or appeal from any order of the Court.

11 16. All Settlement Class Members who do not submit an Opt-Out Statement pursuant  
12 to the Settlement Agreement will be deemed to have accepted its settlement terms and will  
13 forever waived their right to opt out of the Settlement Class.

14 17. The Settlement Administrator will promptly provide all Parties with copies of any  
15 Opt-Out Statements, and Class Counsel shall file with the Court a list of Settlement Class  
16 Members who have timely and validly submitted Opt-Out Statements to the Settlement  
17 Administrator prior to the Final Approval Hearing.

18 **VII. Objections**

19 18. Any Settlement Class Member who does not file a timely Opt-Out Statement, but  
20 who wishes to object to approval of the proposed Settlement, to the award of attorneys’ fees and  
21 expenses to Class Counsel, or the Service Awards to the Class Representatives must submit to the  
22 Settlement Administrator a written Objection Statement. The Court will consider objections to the  
23 Settlement, to the award of attorneys’ fees and expenses to Class Counsel, or to the Service Awards  
24 to the Class Representatives that are filed with the Court by Class Counsel before the Final  
25 Approval Hearing.

26 19. A Settlement Class Member who has timely filed a written Objection Statement as  
27 set forth above may appear at the Final Approval Hearing in person or through counsel to be heard

1 orally regarding their objection. It is not necessary, however, for a Settlement Class Member who  
2 has filed a timely objection to appear at the Final Approval Hearing. No Settlement Class Member  
3 wishing to be heard orally in opposition to the approval of the Settlement and/or the request for  
4 attorneys' fees and expenses and/or the request for Service Awards to the Class Representatives  
5 will be heard unless that person has submitted a timely written Objection Statement as set forth  
6 above. No non-party, including members of the Settlement Class who have timely opted-out of the  
7 Settlement, will be heard at the Final Approval Hearing.

8 20. Any Settlement Class Member who fails to timely object in the manner specified  
9 in the Settlement Agreement will be deemed to have waived any objections and will be foreclosed  
10 from making any objection to the Settlement, whether by appeal or otherwise.

11 **VIII. Application for an Award of Attorneys' Fees, Costs, and Incentive Awards**

12 21. Any application for Service Awards to the Class Representatives as well as any  
13 application for an award of attorneys' fees and expenses to Class Counsel must be filed no later  
14 than fourteen calendar days before the Final Approval Hearing.

15 **IX. Final Approval Hearing**

16 22. A Final Approval Hearing will be held on November 3, 2021 at 9:00 a.m.

17 for the following purposes:

- 18 (a) To finally determine whether the requirements of Federal Rules of Civil  
19 Procedure 23(a) and (b) are met;
- 20 (b) To determine whether the requirements of the FLSA, 29 U.S.C. § 216(b), are met;
- 21 (c) To determine whether the Settlement is fair, reasonable, and adequate, and  
22 should be approved by the Court;
- 23 (d) To determine whether the judgment as provided under the Settlement Agreement  
24 should be entered;
- 25 (e) To consider the application for an award of attorneys' fees and expenses of Class  
26 Counsel;

1 (f) To consider the distribution of the Class Settlement Fund under the terms of the  
 2 Settlement Agreement; and

3 (g) To rule on such other matters as the Court may deem appropriate.

4 23. On or before fourteen calendar days prior to the Final Approval Hearing, Class  
 5 Counsel shall file and serve a Motion for Final Approval of Settlement.

6 24. The Final Approval Hearing may be postponed, adjourned, transferred or  
 7 continued by order of the Court without further notice to the Settlement Class. At, or following,  
 8 the Final Approval Hearing, the Court may enter a Final Approval Order and Judgment in  
 9 accordance with the Settlement Agreement that will adjudicate the rights of all Settlement Class  
 10 Members.

11 25. The deadlines the parties shall adhere to are as follows:

12 Defendant to provide Class List to Settlement Administrator	Within 5 Business Days after the Preliminary Approval Date
13 Notice mailed to the Settlement Class (the “Notice Distribution Date”)	Within 10 calendar days after receipt of the Class List
14 Last day for Settlement Class Members to opt out or object to the proposed Settlement	45 days after the Notice Distribution Date
15 Date by which to file petition for attorneys’ fees and expenses and Motion for Final Approval of Settlement	No later than 14 days prior to the Final Approval Hearing
16 Final Approval Hearing	At least 100 days after Preliminary Approval Date

17 26. Settlement Class Members do not need to appear at the Final Approval Hearing or  
 18 take any action other than affirmatively cashing their Settlement Check to indicate their  
 19 approval.  
 20

21 **X. Further Matters**

22 27. All discovery and other pretrial proceedings in the action are stayed and suspended  
 23 until further order of the Court except such actions as may be necessary to implement the  
 24 Settlement Agreement and this Order.
