**JOINT MOTION TO MODIFY
SCHEDULING ORDER**

Pursuant to LCR 16(b)(6), Plaintiff WSOU Investments LLC d/b/a Brazos Licensing and Development (“WSOU” or “Plaintiff”) and Defendant F5 Networks, Inc. (“F5” or “Defendant”) (collectively, “Parties”), by and through their undersigned counsel, hereby jointly move the Court to modify its April 26, 2021 Order on Motion to Modify Order Setting Trial Dates and Related Dates (No. 2:20-cv-01878-BJR, Dkt. 64; “Scheduling Order”), which sets forth the current case schedule for the above-captioned actions. The Parties’ requested modifications and good cause basis for these modifications are identified below.

A. Basis for Proposed Modifications

Under the current Scheduling Order, fact discovery is scheduled to close in just four weeks, on January 6, 2021, right after the winter holidays. However, in light of the Parties’ ongoing fact

1 discovery disputes, the status of fact discovery, and the limited time remaining in the fact discovery
2 period, the parties seek a 60-day extension of the close of fact discovery, as well as corresponding
3 extensions of subsequent case deadlines. Document production is still ongoing and the parties still
4 have a number of fact depositions to take.

5 Compounding these hurdles, the next four weeks include (i) the winter holidays, during
6 which fact witnesses, outside counsel, and in-house counsel for both sides will have limited
7 availability, and (ii) the *Markman* hearing on December 22, 2021, which will require significant
8 time and attention from the Parties.

9 The Parties' proposed schedule modifications adjust the fact discovery period by 60 days
10 (from January 6, 2022 to March 7, 2022), and provide proportional extensions of all subsequent
11 case deadlines, including the trial date. There is good cause for these adjustments in light of the
12 Parties' ongoing fact discovery disputes, the current status of fact discovery, and the limited time
13 remaining for fact discovery, as summarized above.
