UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

KAELI GARNER, *et al.*,
Plaintiffs,
v.
AMAZON.COM, INC., a Delaware
Corporation, and AMAZON.COM SERVICES,
LLC, a Delaware Limited Liability Company,
Defendants.

Case No.: 2:21-cv-00750-RSL
**STIPULATED MOTION TO MODIFY
CASE DEADLINES AND ORDER**

STIPULATED MOTION

Plaintiffs and Defendants (together, the “parties”), hereby stipulate to modifying the court-ordered deadline for the end of fact discovery and subsequent case deadlines.

On November 17, 2021, Plaintiffs filed the Amended Consolidated Class Action Complaint against Defendants.

On February 18, 2022, the Court issued an Order Setting Discovery And Pretrial Dates that set the close of fact discovery on December 16, 2022. ECF No. 72.

The parties have engaged in discovery, including document requests, interrogatories, and discovery conferences, as well as discovery-related motion practice.

The Court recently resolved outstanding disputes between the parties. ECF Nos. 123, 136, 138, 139.

1 In view of the Court's recent orders on discovery, the parties have met and conferred in
2 good faith to discuss the need for an extension of the fact discovery deadline given the significant
3 volume of discovery to be completed. The parties agree that there is good cause to extend that
4 deadline to August 16, 2023 in order to complete fact discovery, including the discovery addressed
5 in the Court's October 3 and 31 orders (ECF Nos. 123, 136), and depositions of both parties.

6 The parties agree and respectfully request that the Court extend fact discovery cutoff and
7 subsequent deadlines by approximately eight-and-a-half months as follows:

- 8 • August 16, 2023 - Fact discovery cutoff
- 9 • October 10, 2023 - Last day to file motion for class certification (including expert
10 report in support of class certification)
- 11 • December 8, 2023 - Last day to file opposition to class certification (including
12 expert report in opposition to class certification)
- 13 • January 11, 2024 - Last day to file reply in support of class certification (including
14 reply class certification expert report limited to any new subjects introduced in
15 opposition report)

16 The Parties further agree to continue discussing in good faith interim deadlines related to
17 fact discovery but may need further assistance from the Court if they are unable to come to a
18 resolution. These interim deadlines will include, *inter alia*, deadlines for Defendants' substantial
19 completion of document production and production of privilege logs. Defendants are in the
20 process of collecting the ESI necessary to comply with the Court's order, and are assessing the
21 time and resources necessary to complete their production. Defendants currently anticipate that
22 their production will be substantially complete at least four months before the close of discovery,
23 but if additional time is required, the parties agree jointly to request a further extension of the fact
24 discovery cutoff to ensure that plaintiffs have four months to review Defendants' document
25 production and complete fact witness depositions.

26 //

27 //

28 //

1 NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED among the
2 undersigned Parties, and respectfully submitted for the Court's approval, that the deadline for the
3 close of fact discovery and subsequent case deadlines be extended as follows:

4 Event	Former Deadline	Operative Deadline
5 Fact discovery cut-off	December 16, 2022	August 16, 2023
6 Last day to file motion for class 7 certification (including expert report 8 in support of class certification)	January 26, 2023	October 10, 2023
9 Last day to file opposition to class 10 certification (including expert report 11 in opposition to class certification)	March 24, 2023	December 8, 2023
12 Last day to file reply in support of 13 class certification (including reply 14 class certification expert report 15 limited to any new subjects 16 introduced in opposition report)	April 28, 2023	January 11, 2024

15 Dated: November 17, 2022
