1 This matter comes before the Court on Plaintiff's motions to seal the transcript of the  
2 deposition of Jason Larson. While the public has a common law right to inspect and copy public  
3 records, including those from judicial proceedings, these rights are not absolute. They must yield  
4 when (1) sealing a document serves a compelling interest, (2) that is substantially likely to be  
5 harmed if the document is not sealed, and (3) there are no less restrictive alternative means for  
6 protecting the interest. *See United States v. Doe*, 870 F.3d 991, 998 (9th Cir. 2017). Given the  
7 sensitive nature of the information contained in the material at issue, these criteria are met here.  
8 Accordingly, Plaintiff's motion to seal is GRANTED and the Clerk is DIRECTED to maintain  
9 Docket Number 286 under seal.

10 DATED this 25th day of October 2024.
