U.S. Department of Justice
PO Box 7611
Washington, DC 20044

1 The United States and Boeing jointly move the Court for permission to take depositions
 2 under FRCP 30(b)(6) after the Court's July 19, 2024 deadline for completion of fact discovery in
 3 this matter and to briefly extend the deadlines set forth in the Court's Order at ECF No. 77 for
 4 expert discovery and motions practice. Granting the Parties' request will not alter the trial-ready
 5 date for this matter.

6 The Parties have diligently pursued fact discovery, deposing many witnesses, serving
 7 numerous requests for production, requests for admission, and interrogatories, and conferring as
 8 needed. Although the Parties expect to complete all responses to outstanding discovery requests
 9 before the Court's July 19, 2024 deadline, given the age, volume, means of storage, and location
 10 of many documents in this case, some documents may not be produced until the final week of
 11 fact discovery. To allow for productive 30(b)(6) depositions, the Parties request to take
 12 depositions under FRCP 30(b)(6) until **September 6, 2024**, and to briefly extend the expert
 13 discovery deadlines and the deadline for motions as follows:
