21 Parties agree and/or the Court determines meet the criteria of Local Civil Rule 3(g), (h).

22 1.11 “Staff” means any individual assisting or supporting a Testifying Expert or

13 2. General Provisions

14 2.1 This Stipulation and Order applies to All Parties to the Action. This Stipulation
15 and Order provides the protocols applicable to conducting discovery relating to Testifying
16 Expert(s), Consultant(s), or their Staff. Nothing herein shall preclude any Party from seeking to
17 modify it later for good cause; prior to doing so, however, counsel of record shall meet and
18 confer among themselves in a good-faith effort to reach agreement as to the appropriate scope of
19 any modifications or revisions to this Stipulation and Order.

20 2.2 All Parties shall not serve subpoenas or discovery requests (for depositions or
21 Documents) on any Testifying Expert, Consultant, or their Staff. Instead, the Party proffering a
22 Testifying Expert will: (a) be responsible for producing all materials and information required
23 under this Stipulation or, to the extent not addressed in this Stipulation, under the Federal Rules
24

1 of Civil Procedure for the Testifying Expert, and (b) upon request, make the Testifying Expert
2 available for deposition at or reasonably near the Testifying Expert's workplace, unless
3 otherwise agreed by the Parties, and at a time mutually agreed to by All Parties, and consistent
4 with the Court's scheduling order(s).

5 2.3 All Parties agree to comply with the terms of this Stipulation pending the Court's
6 approval and entry of this Stipulation and Order.

7 3. Governing Law

8 3.1 Expert discovery shall be governed by the applicable provisions of the Federal
9 Rules of Civil Procedure, except as otherwise provided herein or in any other order in this
10 Action. For the avoidance of doubt, the requirements of Federal Rule of Civil Procedure
11 26(a)(2)(A), 26(a)(2)(B), and 26(a)(2)(B)(i) remain in effect and apply to this Action
12 notwithstanding this Stipulation and Order.

13 4. Expert materials to be disclosed

14 4.1 In lieu of the disclosures required under Federal Rule of Civil Procedure
15 26(a)(2)(B)(ii)-(vi), no later than three business days after the service of any Testifying Expert's
16 report pursuant to Federal Rule of Civil Procedure 26(a)(2)(B) or otherwise, the Party or Parties
17 proffering the Testifying Expert shall produce¹:

18 4.1.1 A copy of all data or other information referred to in the Testifying
19 Expert's report or declaration and/or relied on by the Testifying Expert in forming the Testifying
20 Expert's opinions (to the extent not already produced in discovery), including, but not limited to,

21 _____
22 ¹ Paragraph 4.1 (including subparagraphs 4.1.1 through 4.1.5) applies to materials created or
23 communications occurring after the initiation of the Action in which the Testifying Expert
24 intends to testify (i.e., post-Action Documents and communications), and to materials created or
communications occurring prior to the initiation of the Action in which the Testifying Expert
intends to testify (i.e., pre-Action Documents and communications).

1 complete copies of all data sets from which information relied upon was derived or obtained, all
2 data and programs underlying any calculations, including all computer programs or code
3 necessary to recreate any data, intermediate working-data, calculations, estimations, tables, or
4 graphics, and including the intermediate working-data files that are generated from any initial
5 (“raw”) data files and used in performing the calculations appearing in the report.

6 4.1.2 A list of all Documents referred to in the Testifying Expert’s report or
7 declaration and/or relied upon by the Testifying Expert in forming the Testifying Expert’s
8 opinions. For purposes of this list, identifying Documents by Bates number is sufficient. To the
9 extent that any such Documents do not already have a Bates number, copies of those documents
10 shall be produced. Such copies of Documents may be produced with a Bates number, but Bates
11 numbering is not required.

12 4.1.3 A statement of the witness’s qualifications, including a list of all
13 publications authored, in whole or in part, by the Testifying Expert in the previous 10 years and
14 copies of all such publications that are not readily available publicly, provided that such
15 publications are accessible by the Testifying Expert. Publications which exist only behind a
16 paywall or in print shall be considered as not readily available publicly.

17 4.1.4 A list of all other case(s), wherever those cases took place, in which,
18 during the previous 4 years, the Testifying Expert testified as an expert at trial or by deposition,
19 including the tribunal and case number.

20 4.1.5 A statement of the terms of the compensation and of the compensation
21 paid and/or to be paid to the Testifying Expert for the Testifying Expert’s work and testimony in
22 the case.

1 4.2 Testifying Expert reports shall be served via email. Except to the extent included
2 within a Testifying Expert's report, the information required by subparagraphs 4.1.1 - 4.1.5
3 above shall be produced electronically in a manner agreed to by All Parties and, and, with
4 respect to paragraph 4.1.1, in machine-readable format, where feasible. All Parties shall meet
5 and confer in good faith to attempt to establish, no later than 15 days after the close of fact
6 discovery, an agreed method for ensuring that the receiving parties are able to complete receipt
7 of the materials by the due date.

8 4.3 Paragraphs 4.1.1 - 4.1.5 above are not intended to limit the ability of any Party to
9 prepare and use demonstrative exhibits, including demonstrative exhibits that may relate to a
10 Testifying Expert's testimony, during the course of any deposition, hearing, or trial. The use and
11 disclosure of any such demonstrative exhibits shall be governed by the Federal Rules of
12 Evidence, the Federal Rules of Civil Procedure, and this Court's Local Rules and Orders.

13 5. Expert materials not requiring disclosure

14 5.1 Notwithstanding the foregoing and the Federal Rules of Civil Procedure, and
15 except as otherwise required by paragraph 5.2 below, the following materials² shall not be
16 subject to discovery or disclosure by any method (including by deposition):

17 _____
18 ² Paragraph 5.1 (including subparagraphs 5.1.1 through 5.1.8) shall apply to materials created or
19 communications occurring after the initiation of the Action (i.e., post-Action Documents and
20 communications). Paragraph 5.1 (including subparagraphs 5.1.1 through 5.1.8) shall also apply
21 to materials created or communications occurring prior to the initiation of the Action (i.e., pre-
22 Action Documents and communications), provided that (i) with respect to subparagraphs 5.1.1(a)
23 and 5.1.1(b), all participants in the communication (a) were retained or employed by, on behalf
24 of, or represented the same Party at the time of the communication and the communication was
made in connection with, or in anticipation of, the Action or, with respect to Amazon, any
Related Action, or (b) all participants in the communication were retained or employed by, on
behalf of, or represented Plaintiffs, or investigating states that did not become Plaintiffs, at the
time of the communication and the communication was made in connection with, or in
anticipation of, the Action; and (ii) with respect to subparagraph 5.1.2, the Testifying Expert was

1 5.1.1 The content of communications, whether oral or written, only among or
2 between:

3 (a) Counsel and a Testifying Expert, Consultant, and/or any Staff
4 assisting the Testifying Expert or Consultant, except to the extent
5 the Testifying Expert relies upon such communications as a basis
6 or reason for his or her opinions;

7 (b) a Testifying Expert or Consultant and other Testifying Experts and
8 Consultants, as well as any Staff assisting such Testifying Experts
9 or Consultants, except to the extent the Testifying Expert relies
10 upon such communications as a basis or reason for his or her
11 opinions; and

12 (c) a Testifying Expert or Consultant and any Staff assisting such
13 Testifying Expert or Consultant.³

14 5.1.2 Drafts of Testifying Expert reports, affidavits, declarations, or other
15 Testifying Expert materials, including, without limitation:

16
17
18 retained or employed by or on behalf of a Party in the Action or, with respect to Amazon, any
19 Related Action at the time the materials were prepared, and the materials were prepared on
20 behalf of the same Party that retained or employed the Testifying Expert in the Action or, with
21 respect to Amazon, any Related Action, and the materials were prepared in connection with, or
22 in anticipation of, the Action or, with respect to Amazon, any Related Action.

23 ³ For purposes of this Stipulation and Order, “Plaintiffs’ Counsel” includes Counsel for any
24 Plaintiff in the Action and “Defendant’s Counsel” includes Counsel for any Defendant in the
Action or any Related Action. Communications between or among Counsel for (a) different
Plaintiffs in this Action or (b) different Defendants (if additional defendants are later added to
the Action or any Related Action) are included within this provision. Additionally,
notwithstanding this provision, this expert stipulation does not, and is not intended to, abridge
the attorney-client privilege.

- 1 (a) draft studies, analyses, opinions, or written expert testimony
2 prepared in connection with the Action or any Related Action;
- 3 (b) draft Testifying Expert work papers prepared in connection with
4 the Action or any Related Action; and
- 5 (c) draft computer code (including queries), preliminary or
6 intermediate calculations, computations, modeling, intermediate
7 working data files, log files reflecting draft computer code, or data
8 runs prepared in connection with the Action or any Related Action,
9 except as described in paragraph 4.1.1.

10 5.1.3 The notes of a Testifying Expert, Consultant, or Staff, except for notes of
11 interviews of persons where the Testifying Expert, Consultant, or Staff participated in or
12 conducted the interview and where the Testifying Expert relied on the interview in forming any
13 opinions in his or her final report.

14 5.1.4 Any comments, whether oral or written, related to a final or draft report,
15 affidavit, declaration, or potential testimony of a Testifying Expert prepared in connection with
16 the Action or any Related Action by:

- 17 (a) Counsel;
- 18 (b) a Consultant;
- 19 (c) Staff;
- 20 (d) any other Testifying Expert;
- 21 (e) any other Consultant; or
- 22 (f) Staff of another Testifying Expert or Consultant.
- 23
- 24

1 5.1.5 Budgets, invoices, bills, receipts, or time records concerning Testifying
2 Experts, Consultants, or Staff. Notwithstanding this provision, any Party may inquire into a
3 Testifying Expert's compensation in this matter, including the Testifying Expert's hourly rates,
4 the total hours spent by the Testifying Expert and staff members in connection with this Action,
5 and any other payments or consideration received by the Testifying Expert relating to work in
6 the Action.

7 5.1.6 Copies of programs, software, or instructions that are commercially
8 available at a reasonable cost.

9 5.1.7 Documents that are readily available publicly, provided that they are
10 identified with sufficient specificity to allow the opposing side to locate and obtain the
11 Documents. Publications which exist only behind a paywall or in print shall be considered as not
12 readily available publicly.

13 5.1.8 Documents that have previously been produced during discovery in the
14 Action, provided that they are identified by Bates number in the Testifying Expert's report.

15 5.2 Notwithstanding any provision in paragraph 5 (including all subparagraphs), All
16 Parties must produce (according to paragraphs 4.1.1, 4.1.2, and 4.2 above) all materials that:

17 (a) constitute facts or data that the Testifying Expert relied on in
18 forming the opinions expressed in his or her report; or

19 (b) constitute assumptions that the Testifying Expert relied on in
20 forming the opinions expressed in his or her report.

21 Information, communications, materials, or Documents upon which the Testifying Expert relies
22 as a basis for their opinions are discoverable. For the avoidance of doubt, nothing herein relieves
23
24

1 a Testifying Expert or Party of the duty to identify the facts, data, and assumptions that the
2 Testifying Expert relied upon as a basis for their opinions.

3 5.3 Further, notwithstanding the limitations contained in subparagraphs 5.1.1 - 5.1.8
4 above, an expert may be asked at a deposition or trial:

5 (a) to identify and generally describe what data, facts, algorithms,
6 modeling, regression analyses and source code the expert
7 reviewed, investigated or considered but did not rely on or
8 otherwise use, and

9 (b) to describe the reasons for reviewing—but not using or relying
10 on—any such data, facts, algorithms, modeling, analyses or source
11 code.

12 5.4 All Parties are not required to produce or exchange logs reflecting any of the
13 aforementioned items that are not subject to discovery or production pursuant to this Stipulation
14 and Order.

15 6. Materials relied on in reports

16 6.1 In formulating the opinions expressed in their expert reports, a Party's Testifying
17 Experts shall not rely on documents, data, or information requested in discovery and not
18 produced to the other Party by the close of fact discovery, except (a) by agreement between the
19 Parties or (b) as ordered by the Court.
