Re: Settlement Conference

15
16
17 THIS matter was referred by the Honorable Benjamin H. Settle to U.S. Magistrate Judge J. Kelley
18 Arnold for purposes of a Settlement Conference. The parties met with the undersigned October 5, 2010, and
19 counsel conferred with the court October 10, 2010. At that time the case was currently before the Ninth
20 Circuit Court of Appeals, and further proceedings in this court were stayed. On April 27, 2011 the Ninth
21 Circuit Court of Appeals filed an Opinion on the pending appeal. On May 20, 2011 the Mandate was filed.
22 The Stay has been lifted and Judge Settle has requested a Joint Status Report by June 15, 2011.

23 On May 16, 2011, the undersigned contacted counsel about the advisability of renewing settlement
24 discussions. The parties have jointly advised the court that they do not desire to resume mediation at this
25 time. By way of this order the undersigned is (1) advising Judge Settle that there are no continuing settlement
26 discussions with the undersigned; and (2) that the undersigned remains available should the parties wish to
27 discuss further mediation in the future.
