Case No. C10-5246RJB

ORDER ON PLAINTIFF'S  
MOTIONS TO COMPEL  
DEPOSITIONS and RESPONSES  
TO INTERROGATORIES AND  
REQUESTS FOR PRODUCTION

18 \_\_\_\_\_  
19 This matter comes before the Court on Plaintiff's Motion to Compel Depositions (Dkt. 42),  
20 Motion to Compel Responses to Interrogatories and Requests for Production (Dkt. 44), and Defendants'  
21 Motions to Strike (Dkts. 53 and 74). The Court has reviewed the pleadings filed in favor of and in  
22 opposition to the motions and the remainder of the record herein.

23 **I. FACTS AND PROCEDURAL HISTORY**

24 **A. FACTS**

25 According to the Amended Complaint, on November 21, 2008, Plaintiff was arrested for drunk  
26 driving by Officer Eugene Allen. Dkt. 28, at 3. Plaintiff alleges that during the course of that arrest, she  
27 tried to get her handcuffs from behind her back to the front. *Id.* During this process, she "inadvertently  
28 exposed her genitals when the handcuffs reached around her pants." *Id.* She alleges that Officer Allen  
took a nude photograph of her with his cell phone camera. *Id.* Plaintiff alleges that Officer Allen then

1 uploaded the photograph to “Gondor,” a law enforcement data base, and shared the picture with others.

2 *Id.*

3 Plaintiff asserts that Defendants deprived her “of rights and privileges secured by the Constitution  
4 in violation of the Civil Rights Act of 1871, 42 U.S.C. § 1983.” *Id.*, at 4. Plaintiff references the  
5 Substantive Due Process clause of the Fourteenth Amendment. *Id.* Plaintiff asserts Defendant Pierce  
6 County failed to “adequately train and supervise” Officer Allen. *Id.* Plaintiff also makes a claim for  
7 intentional infliction of emotional distress/outrage and a claim for “invasion of privacy - public  
8 disclosure of private facts.” *Id.*, at 5. Plaintiff seeks damages, costs, and attorneys’ fees. *Id.*, at 6.

9 Motions related to discovery were due by December 27, 2010, and the discovery cutoff date was  
10 January 18, 2011. Dkt. 14. Trial is set to begin on May 16, 2011. *Id.*

11 **B. PENDING MOTIONS**

12 On February 2, 2011, Plaintiff filed motions to compel depositions and responses to  
13 interrogatories and requests for production. Dkts. 42 and 44. Plaintiff seeks to depose: (a) Sheriff Paul  
14 Pastor; (b) Lt. Larry Lawrence; (c) Sgt. Paul Schneider; (d) Chief Eileen Bisson; (e) Glen Carpenter; and  
15 (f) Pierce County 30(b)(6) deponent. Dkts. 42 and 71. In her motion regarding interrogatories and  
16 requests for production, Plaintiff seeks:

- 17 (1) Information regarding Deputy Eugene Allen’s pager and cell phone numbers from  
18 January 1, 1998 through August 30, 2010, including the number(s), owner of the phone or  
19 pager, company carrier or provider, who paid the bill for each cell phone or pager during  
20 that time;  
21 (2) The cell phone, home phone, and pager bills for the following dates: (a) July 1, 1999-  
22 March 30, 2000; (b) April 1, 2002-July 31, 2002; (c) November 1, 2008-January 31, 2009;  
23 (3) A bit identical disk image cloned to a hard drive or access to the original hard drive for  
24 Deputy Eugene Allen’s Pierce County owned laptop and personal computers owned by  
25 Deputy Allen;  
26 (4) Emails to and from Defendant Deputy Eugene Allen from November 19, 2008 to May  
27 19, 2009;  
28 (5) Emails from November 1, 2008 through June 27, 2009 for the following individuals:  
(a) Robert Shaw, (b) Michael Cooke, (c) Ryan Salmon.

Dkts. 44 and 71.

Defendants oppose both motions. Dkt. 53. Defendants further move for an order striking and  
retracting Dkt. 45-1, Ex. 15-17, p. 75-89 and Dkt. 44, p. 4:15-21, p.5:1-19, and p.6: 1-12. Dkt. 53.

Defendants argue that these pleadings are subject to the protective order. *Id.*, (citing Dkt. 41).

Defendants argue that Plaintiff should have sought leave of Court to file them under seal. *Id.* Defendants

1 also move to strike portions of Plaintiff's reply. Dkt. 74.

## 2 **II. DISCUSSION**

### 3 **A. GENERAL DISCOVERY STANDARD**

4 Fed. R. Civ. P. 26 (b) (1) provides,

5 Unless otherwise limited by court order, the scope of discovery is as follows: Parties may  
6 obtain discovery regarding any nonprivileged matter that is relevant to any party's claim or  
7 defense--including the existence, description, nature, custody, condition, and location of  
8 any documents or other tangible things and the identity and location of persons who know  
9 of any discoverable matter. For good cause, the court may order discovery of any matter  
10 relevant to the subject matter involved in the action. Relevant information need not be  
11 admissible at the trial if the discovery appears reasonably calculated to lead to the  
12 discovery of admissible evidence.

9 Relevant information for purposes of discovery is information "reasonably calculated to lead to the  
10 discovery of admissible evidence." *Survivor Media, Inc. v. Survivor Prods.*, 406 F.3d 625, 635 (9th Cir.  
11 2005). District courts have broad discretion in determining relevancy for discovery purposes. *Id.* (citing  
12 *Hallet v. Morgan*, 296 F.3d 732, 751 (9th Cir. 2002)).

13 If a requested disclosure is not made, the requesting party may move for an order compelling such  
14 disclosure, and such a motion must include a certification that the movant has made good faith efforts to  
15 obtain the requested disclosure or discovery without court action. Fed. R. Civ. P. 37(a)(1). The party  
16 who resists discovery has the burden to show that discovery should not be allowed, and has the burden of  
17 clarifying, explaining, and supporting objections. *Cable & Computer Tech., Inc. v. Lockheed Saunders,*  
18 *Inc.*, 175 F.R.D. 646, 650 (C.D. Cal. 1997).

19 It appears that the parties have made an effort to resolve these disputes without Court action. The  
20 Court should consider the motions.

### 21 **B. TIMELINESS**

22 Defendants object to both motions, arguing that the motions are untimely. Dkt. 53. Under the  
23 case scheduling order, motions related to discovery were to be filed on or before December 27, 2010, and  
24 the discovery cutoff was on January 18, 2011. Dkt. 14. Plaintiff's motions to compel were filed on  
25 February 2, 2011.

26 Pursuant to Fed. R. Civ. P. 16 (b)(4), the Court may modify the case scheduling order for good  
27 cause. Although Defendants' argument is not to be taken lightly, Plaintiff has shown sufficient good  
28 cause to alter the case schedule and allow the pending motions. Plaintiff has made a reasonable showing

1 that she did not know that she would need to make such a motion until after the deadline had expired.

2 Accordingly, each motion shall be considered below.

3 **C. PLAINTIFF'S MOTION TO COMPEL DEPOSITIONS**

4 Defendants object to the motion to compel the depositions, arguing that the notices of deposition  
5 were not sent out with enough time to prepare and that some of the depositions were noted for a federal  
6 holiday. Dkt. 53.

7 On January 11, 2011, Plaintiff propounded the notices for the contested depositions. Dkt. 43-1, at  
8 14- 36. The depositions were scheduled for January 17 and 18. *Id.* The discovery cut off was set for  
9 January 18, 2011. Dkt. 14. Plaintiff moves the Court for an order compelling the depositions within 14  
10 days.

11 Defendants objection regarding timing is again well taken. However, in the interest of fully and  
12 fairly considering this case on the merits, the Court should order that the depositions be allowed. Plaintiff  
13 has made a sufficient showing that these depositions may lead to relevant evidence. Plaintiff's motion for  
14 an order compelling the deposition of: (a) Sheriff Paul Pastor; (b) Lt. Larry Lawrence; (c) Sgt. Paul  
15 Schneider; (d) Chief Eileen Bisson; (e) Glen Carpenter; and (f) a Pierce County 30(b)(6) deponent (Dkt.  
16 42) should be granted. In an effort to accommodate the parties' various schedules, the depositions should  
17 be completed within 21 days of the date of this order.

18 **D. PLAINTIFF'S MOTION TO COMPEL RESPONSES TO INTERROGATORIES  
19 AND REQUESTS FOR PRODUCTION**

20 Plaintiff's Motion to Compel Responses to Interrogatories and Requests for Production (Dkt. 44)  
21 should be granted, in part, and denied, in part.

22 Plaintiff's first two requests regarding Officer Allen's pager, cell phone and home phone should be  
23 granted. These requests generally appear to be seeking nonprivileged relevant information. However, to  
24 the extent that some of the discovery sought has now been provided by Defendants (Dkt. 53, at 2 and 11),  
25 the motion should be denied.

26 The motion should be denied as to requests three through five. Plaintiff's request for "a bit  
27 identical disk image cloned to a hard drive or access to the original hard drive" for Officer Allen's Pierce  
28 County owned laptop and his personal computers should be denied as overbroad. Defendants point out  
that they tried unsuccessfully to get Plaintiff to narrow her request regarding these computers, and she

1 declined to do so. Plaintiff's request for all emails to and from Officer Allen from November 19, 2008 to  
2 May 19, 2009 should also be denied as overbroad. Plaintiff's request for emails from November 1, 2008  
3 through June 27, 2009 for the following individuals: (a) Robert Shaw, (b) Michael Cooke, (c) Ryan  
4 Salmon, should be denied as overbroad. To the extent that parties can agree to narrow Plaintiff's requests  
5 regarding the computers and emails, they should do so, but the motion to compel should be denied.

#### 6 **E. DEFENDANTS' MOTION TO STRIKE AND REDACT**

7 Defendants move for an order striking and redacting Dkt. 45-1, Ex. 15-17, p. 75-89 and Dkt. 44, p.  
8 4:15-21, p.5:1-19, and p.6: 1-12. Dkt. 53. The first (Dkt. 45-1, Ex. 15-17, p. 75-89) is a portion of  
9 Officer Allen's personnel record, and the second is portions of Plaintiff's motion quoting the personnel  
10 record (Dkt. 44, p. 4:15-21, p.5:1-19, and p.6: 1-12). On January 13, 2011, the parties stipulated to a  
11 protective order regarding Officer Allen's personnel file. Dkt. 41. The protective order does not contain  
12 a provision requiring that the materials referenced therein be filed under seal. The Court is unable to  
13 enforce an oral agreement between the parties to file these materials under seal. Defendants' motion to  
14 strike should be denied.

15 Defendants also file a surreply and move to strike portions of Plaintiff's reply (Dkt. 71), arguing  
16 that these portions of the reply are incomplete statements or not supported by the record. Dkt. 74.  
17 Defendants' motion to strike portions of Plaintiff's reply should be denied as moot. The Court did not  
18 consider Plaintiff's assertions in deciding the motions to compel.

#### 19 **F. CONCLUSION**

20 Parties have already been warned that they are to cooperate civilly in order to bring this case to  
21 completion. Dkt. 37 - Order Granting Defendants' Motion to Compel. Parties are again encouraged to  
22 work together on scheduling and discovery matters such as these.
