

1 To the extent that Plaintiff intends these pleadings to be Motions for Reconsideration,
2 they should be denied. Western District of Washington Local R. Civ. P. 7(h) provides in
3 relevant part:

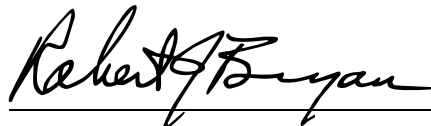

4 Motions for reconsideration are disfavored. The court will ordinarily deny such motions in
5 the absence of a showing of manifest error in the prior ruling or a showing of new facts or
6 legal authority which could not have been brought to its attention earlier with reasonable
7 diligence.

8 Plaintiff fails to show a manifest error in the prior ruling. He did not make a showing of new
9 facts or legal authority which could not have been brought to the Court's attention earlier with
10 reasonable diligence. Plaintiff's arguments are addressed in the Report and Recommendation,
11 and Order Adopting Report and Recommendation, and are without merit.

12 Accordingly, it is hereby **ORDERED**:

- 13 1) Plaintiff's January 14, 2011, pleadings entitled "Good Faith Notice of Request for
14 (SCC) Res. Acct. Balance Info." (Dkt. 9) and "Addendum to CSN. C10-5850"
(Dkt. 10), construed here as motions for reconsideration, are **DENIED**.
- 15 2) The Clerk is directed to send copies of this Order to Plaintiff, counsel for
16 Defendant and to the Hon. J. Richard Creatura.

17
18 **DATED** this 20th day of January, 2011.
