ORDER ADOPTING REPORT
AND RECOMMENDATION

Before the United States District Court judges who sit in Tacoma are the above listed cases filed by plaintiff Richard Roy Scott. Mr. Scott is a civil detainee currently being housed at the Special

1 Commitment Center operated by the State of Washington. The district court judges stayed Mr. Scott's
2 litigation pending a decision by the court on appropriate actions to be taken in light of Mr. Scott's
3 abusive litigation practices. A Report and Recommendation has been prepared by the magistrate judges
4 and is now before the court. The court, having reviewed, the report and recommendation of the
5 magistrate judges, objections to the report and recommendation, if any, and the remaining record,
6 does hereby find and ORDER:

- 7 (1) The court adopts the Report and Recommendation.
- 8 (2) In all future cases, the plaintiff shall submit a signed affidavit, along with
9 the proposed complaint, verifying under penalty of perjury that none of
10 the issues raised in the proposed complaint have been litigated in the past
11 by the plaintiff.
- 12 (3) An application for *in forma pauperis* status, the affidavit required in
13 Item 1 above, and the proposed complaint shall be forwarded to the chief
14 judge of the district by the clerks office for review. The chief judge shall
15 determine whether the action should be allowed to proceed. Plaintiff
16 must provide full and complete disclosure of all financial information in
17 support of any *in forma pauperis* application.
- 18 (4) Plaintiff may not engage in discovery without leave of court. To obtain leave of court he
19 must submit written discovery to the court for prior approval.
- 20 (5) Plaintiff may not issue any subpoenas or summons without prior approval of the court.
21 To obtain prior approval, the plaintiff must show the subpoena or summons is proper.
22 This will be done by submitting his affidavit which clearly discloses the nature of the
23 information he is seeking and sets forth the name and address of the person to whom the
24 subpoena or summons is directed.
- 25 (6) Plaintiff is prohibited from filing any duplicative or repetitive motion in
26 an action. The filing of such motions will result in monetary sanctions or
27 dismissal of the action.
- 28 (7) Plaintiff shall not file a motion for reconsideration without making a
specific showing that the motion meets the criteria set forth in the local
rules for filing such a motion.
- (8) All settlement agreements with the plaintiff which include a monetary
payment shall require payment of the funds into the registry of the court
until such time as plaintiff has paid all outstanding debts for prior grants
of *in forma pauperis* status.
- (9) The case management order previously entered against the plaintiff shall
remain in full effect.
