8 UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
9 AT TACOMA

10 JOHN THOMAS ENTLER,

11 Plaintiff,

12 v.

13 ROY GONZALEZ, et al.,

14 Defendants.

CASE NO. 3:17-cv-05407-RBL-JRC

ORDER DENYING MOTION FOR  
PRODUCTION OF RECORDS AND  
GRANTING MOTION TO ADD  
ADDITIONAL AUTHORITIES

15  
16 This 42 U.S.C. § 1983 civil rights matter has been referred to Magistrate Judge J. Richard  
17 Creatura pursuant to 28 U.S.C. §§ 636 (b)(1)(A) and (B) and Local Magistrate Judge Rules MJR  
18 1, MJR 3, and MJR 4.

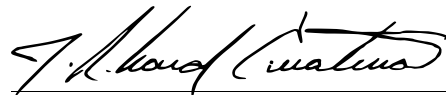

19 Plaintiff has filed a motion for production of records “for the court’s in cam[e]ra review.”  
20 Dkt. 48. He requests that the Court order defendants to produce prison records for inmates Keith  
21 Brian Colberg and Derrick Vargus — two individuals he included in his complaint — alleging  
22 that they threatened him. *Id.* However, pursuant to this Court’s pretrial scheduling order, the  
23 discovery period for this case ended on March 1, 2018. *See* Dkt. 14. As defendants properly note,  
24

1 plaintiff has made no demonstration that he attempted to obtain this information during the  
2 discovery period and has not explained the relevance or necessity of the documents.

3 Because plaintiff has filed this request well outside the timeframe designated by the  
4 Court and because he has not shown cause to reopen discovery and compel defendants to  
5 produce additional evidence, the Court denies plaintiff's motion for production of records. Dkt.  
6 48.

7 Plaintiff has also filed a motion to add additional authorities. Dkt. 49. He seeks to bolster  
8 his initial response to defendants' motion for summary judgment. Defendants argue that this  
9 document is in effect a surreply, which the local rules allow only when moving to strike  
10 materials from a reply, and since plaintiff does not move to strike any materials, his pleading is  
11 improper. LCR 7(g)(2). However, because *pro se* prisoners are given greater leeway to make  
12 relevant arguments to the Court and prisoners' filings are held to a less stringent standard than  
13 those filed by attorneys (*see Hebbe v. Pliler*, 627 F.3d 338, 341-42 (9th Cir. 2010) (citing  
14 *Erickson v. Pardus*, 552, U.S. 89, 94 (2007))), the interests of justice dictate that the Court accept  
15 this additional authority. Therefore, the Court grants plaintiff's motion to add additional  
16 authorities (Dkt. 49) and will examine those authorities in making a determination on  
17 defendants' motion for summary judgment.

18 Dated this 20th day of June, 2018.
