HONORABLE RICARDO S. MARTINEZ

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

PUGET SOUNDKEEPER ALLIANCE,

Plaintiff,

v.

CARLILE TRANSPORTATION
SYSTEMS, LLC,

Defendant.

NO. 3:20-cv-06042-RSM

STIPULATED MOTION TO
CONTINUE DEADLINES BY AN
ADDITIONAL SIX WEEKS AND
ORDER

NOTE ON MOTION CALENDAR:
FEBRUARY 12, 2021

Stipulated Motion

This matter involves a Clean Water Act citizen suit brought under 33 U.S.C. § 1365 by Plaintiff Puget Soundkeeper Alliance against Carlile Transportation Systems, LLC. The Complaint alleges that Carlile committed numerous violations of its National Pollutant Discharge Elimination System Industrial Stormwater General Permit. Carlile has not yet answered the Complaint.

The parties have previously filed two stipulated motions (Dkt. 6 & Dkt. 10) to extend various deadlines, including the deadline for answering the Complaint, and the deadlines for the Rule 26(f) conference, initial disclosures, and joint status report. The Court has granted both motions.

The parties are pleased to report that their discussions have significantly narrowed the areas of disagreement, with only a handful of issues yet to resolve.

1 While there are no guarantees, of course, the parties are modestly confident that
2 they can bridge these remaining issues within the next several weeks.

3 Rather than continue to trouble the Court with a series of more incremental
4 continuances to allow these discussions proceed apace and to bear fruit, the parties
5 agree that one final extension should be enough time to allow them either to report
6 a settlement to the Court, or report that settlement is not possible at this time.

7 Accordingly, the parties request that all current deadlines be delayed by an
8 additional six weeks, with deadline to answer the complaint extended until March
9 29, 2021, and deadlines for the Rule 26(f) conference, initial disclosures, and joint
10 status report extended until April 9, 2021.

11 RESPECTFULLY SUBMITTED this 12th day of February, 2021.
