

IN THE UNITED STATES DISTRICT COURT
FOR THE SOUTHERN DISTRICT OF WEST VIRGINIA
AT BLUEFIELD

JERDIN O. YANES,

Plaintiff,

v.

CIVIL ACTION NOS. 1:23-00175
(consolidated with 1:23-00158)

WARDEN, FCI MCDOWELL,

Defendant.

MEMORANDUM OPINION AND ORDER

By Standing Order, these actions were referred to United States Magistrate Judge Dwane L. Tinsley for submission of findings and recommendations regarding disposition pursuant to 28 U.S.C. § 636(b)(1)(B). Magistrate Judge Tinsley submitted to the court his Findings and Recommendation ("PF&R") on August 27, 2024, in which he recommended that the district court grant defendant's motion to dismiss, deny plaintiff's petitions under 28 U.S.C. § 2241 as moot, dismiss these civil actions, and remove these matters from the court's docket.

In accordance with the provisions of 28 U.S.C. § 636(b), the parties were allotted fourteen days, plus three mailing days, in which to file any objections to Magistrate Judge Tinsley's Findings and Recommendation. The failure of any party to file such objections constitutes a waiver of such party's

right to a de novo review by this court. Snyder v. Ridenour, 889 F.2d 1363 (4th Cir. 1989).

The parties failed to file any objections to the Magistrate Judge's Findings and Recommendation within the seventeen-day period. Having reviewed the Findings and Recommendation filed by Magistrate Judge Tinsley, the court adopts the findings and recommendations contained therein. Accordingly, the court hereby **GRANTS** defendant's motion to dismiss, **DENIES** plaintiff's petitions under 28 U.S.C. § 2241 as moot, **DISMISSES** these civil actions, and directs the Clerk to remove these cases from the court's active docket.

Additionally, the court has considered whether to grant a certificate of appealability. See 28 U.S.C. § 2253(c). A certificate will not be granted unless there is "a substantial showing of the denial of a constitutional right." 28 U.S.C. § 2253(c)(2). The standard is satisfied only upon a showing that reasonable jurists would find that any assessment of the constitutional claims by this court is debatable or wrong and that any dispositive procedural ruling is likewise debatable. Miller-El v. Cockrell, 537 U.S. 322, 336-38 (2003); Slack v. McDaniel, 529 U.S. 473, 484 (2000); Rose v. Lee, 252 F.3d 676, 683-84 (4th Cir. 2001). The court concludes that the governing standard is not satisfied in this instance. Accordingly, the court **DENIES** a certificate of appealability.

The Clerk is directed to forward a copy of this
Memorandum Opinion and Order to plaintiff and counsel of record.

IT IS SO ORDERED this 1st day of October, 2024.
