O R D E R

Pending is third party defendant the United States' motion to stay the court's order and notice, filed March 24, 2011. The parties have informed the court's law clerk that they do not oppose the motion.

The United States asks for a stay in light of the issues presented in its motion to dismiss for lack of subject matter jurisdiction and the response of defendant/third party

plaintiff Cintas Corporation No. 2. The court notes as well that the plaintiffs moved to remand on April 6, 2011, presenting an additional layer of jurisdictional issues.

For reasons appearing to the court, it is ORDERED that the United States' motion to stay be, and it hereby is, granted, and the directives of the court's order and notice, entered March 23, 2011, are STAYED pending resolution of the jurisdictional issues presented by the parties' various motions.

The Clerk is directed to forward copies of this written opinion and order to all counsel of record and any unrepresented parties.

DATED: April 8, 2011
