ORDER

The parties in this case have, again, submitted competing proposed orders memorializing my oral rulings in our February status conference. There is a transcript of February's status conference; therefore, my February 9 order (ECF No. 570) is revoked, and the parties should rely on my oral rulings with respect to all issues discussed. In the future, the parties are directed not to submit proposed orders of my oral rulings and instead to rely on the available transcripts.

Dated at Milwaukee, Wisconsin, this 10th day of February, 2015.
