**MODIFIED INJUNCTION**

**IT IS ORDERED** that defendants shall restore the status quo as it existed on February 24, 2010, by restoring all Frontier mechanics and related and stock clerk work to Frontier employees pursuant to the Frontier-IBT collective bargaining agreements. This order is modified to condition its continuance on the filing of an application on or before April 7, 2011 by plaintiff International Brotherhood of Teamsters Airline Division (“IBT”) with the National Mediation Board (“NMB”) to investigate whether Frontier Airlines and the various other airline subsidiaries of Republic Airways Holdings are a single transportation system for representation purposes. The IBT shall provide the Court with notice of its filing with the NMB on the next business day after filing.

Provided the IBT has filed an application with the NMB, this Order shall remain in effect during the pendency of the application with the NMB and thereafter unless the NMB determines that the IBT ceases to be the representative of Frontier mechanics and related employees. Barring filing of an application with the NMB on or before April 7, 2011, the Court’s preliminary injunction will be dissolved at 5:00 p.m. on April 8, 2011.

Dated at Milwaukee, Wisconsin, this 17<sup>th</sup> day of March 2011.
