Case No. 18-CV-54-JPS

ORDER

On January 1, 2018, Plaintiff, a prisoner proceeding *pro se*, filed a complaint and a motion for leave to proceed *in forma pauperis*. (Docket #1, #2). He also filed what purported to be a copy of his trust account statement for the six-month period immediately preceding the filing of this action. (Docket #3). The information in that statement is used by the Court to calculate a prisoner's initial partial filing fee ("IPFF") as mandated by 28 U.S.C. § 1915(b)(1). However, the trust account statement Plaintiff filed was not complete—several weeks in each month are not accounted for—and was not certified, as the statute requires. *Id.* § 1915(a)(2). As a consequence, the Court cannot perform the IPFF calculation.

Plaintiff was warned of this deficiency in a letter from the Clerk of the Court dated January 10, 2018. (Docket #4). The Clerk afforded him twenty-one days to file a complete, certified copy of his six-month trust account statement, but he has not done so. The Court issues this final warning to Plaintiff: he must file a complete, certified copy of his six-month trust account statement as required in Section 1915(a)(2) no later than **February 9, 2018**, otherwise his case will be dismissed for failure to prosecute. Civ. L. R. 41(c); *Fischer v. Cingular Wireless, LLC*, 446 F.3d 663, 665 (7th Cir. 2006).

Accordingly,

IT IS ORDERED that Plaintiff shall file a certified copy of his prisoner trust account statement for the preceding six months no later than **February 9, 2018**. Failure to do so will result in dismissal of this action.

Dated at Milwaukee, Wisconsin, this 2nd day of February, 2018.
