01/02/2013	 115	** TEXT ONLY ORDER ** The court is in receipt of defendant Carl and Dawn Martinson Greens' emergency motion for telephonic pre-trial conference on January 2, 2013. (Dkt. # 114 .) The January 1, 2013, notice informing the parties that the final pretrial conference would not be held was purely an administrative act, consistent with the fact that the trial is now before the court, not a jury. Indeed, the conference had been removed from the court's calendar upon its grant of plaintiff's motion for a bench trial on November 29, 2012. While defendants do not state good grounds for granting their motion, the court has been advised that mail sent to defendants has been returned to the court. For that reason alone, a status conference would appear to be in order. Accordingly, the court will hold a brief telephonic status conference at 3:00 p.m.

		today to determine why, as well as address any other issues the parties may wish to raise in advance of trial. Attorney Nora shall initiate the conference call to the court at 608-264-5087. Plaintiff's counsel shall advise the court and Attorney Nora at what number they should be reached. Signed by District Judge William M. Conley on 1/2/2013. (elc),(ps) (Entered: 01/02/2013)
