NOKIA’S MOTION FOR CLAIM CONSTRUCTION

Plaintiff Nokia Corporation and Counterclaim-Defendant Nokia Inc. (collectively “Nokia”) hereby move the Court for an Order construing 7 terms from 5 of the 7 Apple patents in suit and deeming that construction is unnecessary for certain terms from the Nokia patents in suit. Nokia’s Opening Markman Brief in support of claim construction is submitted herewith.

Nokia hereby requests an Evidentiary Hearing concerning the claim construction issues based on a belief that such presentation will simplify the issues and conserve

valuable court time in the long run, particularly in view of the number of patents involved which cover various aspects of the technologies at issue in this case.

Respectfully submitted,
