**JOINT MOTION FOR APPROVAL OF ADDITIONAL PRESENTATION EQUIPMENT  
DURING CLAIMS CONSTRUCTION HEARING**

Plaintiffs, Apple Inc. and NeXT Software, Inc., (“Apple”), together with Defendants, Motorola, Inc. and Motorola Mobility, Inc. (“Motorola”), seek the Court’s approval for the use of an additional monitor in the courtroom during the claims construction hearing, scheduled for Friday, July 22, 2011.

Apple and Motorola have agreed to share the cost and arrange for the setting up of a 60” flat-screen monitor, which would be placed in front of the jury box. The monitor will be visible to the bench and counsel during the hearing. The parties understand that the monitor will not require significant modifications to the courtroom technology, as it can be plugged into the existing cabling. A similar monitor was used in this courtroom for the injunction hearing in *Apple Inc. v. Motorola Mobility, Inc.*, 11-CV-178.

Accordingly, Apple and Motorola ask the Court to approve the use of the additional monitor.

Dated: July 18, 2011

Respectfully Submitted,
