Chris,

As I explained during our teleconference on September 1, 2011, Motorola's production of documents is ongoing. Mobility is investigating your August 23, 2011, requests for supplementation and will produce any responsive documents, should they exist, subject to Mobility's previously stated objections, in accordance with the schedule established by the Court. However, Motorola is not able to give you a definitive date for production at this time. Also, as I stated during our call, I believe it would be more productive for us to meet and confer with respect to those requests to which Mobility has objected. To this end, I propose that we meet and confer Friday anytime before 2:00 p.m. PST.

Best regards,
Amanda
