04/12/2012	 58	Affidavit of Kevin J. Eldridge filed by Defendant Grant Regional Health Center re: 56 MOTION to Amend Briefing Schedule, (Eldridge, Kevin) (Entered: 04/12/2012)
04/16/2012	 59	<p>** TEXT ONLY ORDER **</p> <p>Plaintiff's motion to amend the schedule 56 is DENIED. Plaintiff has known of his likely need for expert witness testimony in this lawsuit since the March 17, 2011 telephonic pretrial conference, and plaintiff's later-retained attorney has known of the need for experts since he appeared on December 29, 2011, see 41 . Plaintiff has known since January 31, 2012 (the date we amended the schedule a second time 48) that his expert disclosures would be due by April 6, 2012. By incorporating the March 17, 2011 preliminary pretrial conference order, this court reminded plaintiff that "if a party does not follow the requirements of Rule 26(a)(2) by his deadline to disclose expert witnesses, then this court will not allow that expert witness to present evidence in this case," and that the calendar did not allow for extensions, "so the parties should begin looking for expert witnesses right away if this type of witness might be important for summary judgment or for trial." (19 at 3) Rather than heed these admonitions, plaintiff, by counsel, waited until the date his expert disclosures were due to seek a 6 week extension because he hadn't even gathered the information he deemed necessary to contact potential expert witnesses about his lawsuit, let alone generate any expert opinions. This is an utterly inadequate excuse, and as defendant confirms in opposition 57 , the requested extension would greatly prejudice defendant in this case. As a result of having missed his expert disclosure deadline in this manner, plaintiff has lost his right to present expert witnesses or their opinions in this lawsuit. Signed by Magistrate Judge Stephen Crocker on 4/16/2012. (lj) Modified on 4/16/2012 (lj). (Entered: 04/16/2012)</p>

05/02/2012	 61	Brief in Opposition by Defendant Grant Regional Health Center re: 60 Motion for Reconsideration filed by Bashir Sheikh, M.D. (Eldridge, Kevin) (Entered: 05/02/2012)
05/03/2012	 62	<p>** TEXT ONLY ORDER **</p> <p>Plaintiff's motion for reconsideration 60 is DENIED. Plaintiff has not presented any evidence or argument that he could not have presented in his first motion for another scheduling amendment 59 and in any event his new assertions are weak and unsupported. Defendant was entitled to timely disclosure of any plaintiff experts so that defendant could prepare its summary judgment motion in time for submission by the May 21, 2012 deadline, which now is less than three weeks hence. The court has amended the schedule twice to accommodate both sides; it will not amend it a third time absent significantly more compelling reasons than those presented by plaintiff. Signed by Magistrate Judge Stephen L. Crocker on 5/3/2012. (lj) (Entered: 05/03/2012)</p>
