Plaintiffs Planned Parenthood of Wisconsin, Inc. and Fredrik Broekhuizen have filed a motion to preliminarily enjoin the Wisconsin attorney general, the district attorneys for each Wisconsin county and the members of the Medical Examining Board from enforcing certain provisions in Wis. Stat. § 253.105, which imposes restrictions on abortions induced by medications, on the ground that they are unconstitutionally vague. The court cannot proceed with plaintiffs' motion until each of the defendants has been served with plaintiffs complaint. Once plaintiffs file with the court proof of personal service of each defendant in accordance with Fed. R. Civ. P. 4(l) or a waiver of service under Fed. R. Civ. P. 4(d), I will schedule briefing. In addition, plaintiffs should inform the court whether they believe a hearing is necessary on their motion. If they do not want one, I will allow them to file a reply brief in lieu of a hearing.

Entered this 17th day of December, 2012.
