09/11/2013	25	** TEXT ONLY ORDER ** At the September 11, 2013 telephonic preliminary pretrial conference, pro se plaintiff (who is an attorney) reported that she is scheduled for imminent surgery, the scope of which cannot be determined until she has further testing. The scope of the surgery will influence the length of recovery, which means that plaintiff will not be able to predict her availability to litigate this case until early next week. Accordingly, we set this case for a telephonic status/scheduling conference on September 20, 2013 at 2:30 PM. Plaintiff shall initiate the conference call to chambers at (608) 264-5153. Signed by Magistrate Judge Stephen L. Crocker on 9/11/2013. (arw) (Entered: 09/11/2013)
09/11/2013	26	** TEXT ONLY ORDER ** At the September 11, 2013 telephonic hearing, plaintiff orally asked for 10 more days to file her amended complaint (counting from the parties' previous agreement in that regard, see dchts. <a href="#">3</a> and 4). The court granted that request; plaintiff's new deadline is September 25, 2013. Signed by Magistrate Judge Stephen L. Crocker on 9/11/2013. (arw) (Entered: 09/11/2013)
09/20/2013	<a href="#">27</a>	Status Report by Plaintiff Kathleen Wagner. (Wagner, Kathleen) Modified on 9/20/2013; document sealed inadvertently. (arw) (Entered: 09/20/2013)
09/20/2013	28	** TEXT ONLY ORDER ** On September 20, 2013, the court held a telephonic status conference in which plaintiff and some of the defendants participated. So that this case does not lose its place in line, the court set jury selection and trial for June 1, 2015 at 9:00 AM, with the parties predicting a 10-day trial. The court did not set any other firm dates at this time, but indicated that it will require that any dispositive motions be filed not later than six months before trial and that the court ordinarily ends discovery about five or six weeks before trial and holds the final pretrial

		conference two Thursdays before trial. The court directed the parties to meet and confer as soon as possible - particularly given plaintiff's report of her calendar for surgery - and to file a Rule 26(f) report not later than November 1, 2013. If the parties cannot agree on interstitial dates and deadlines leading toward trial, they are to frame their disputes in the report and the court will resolve them in the subsequently issued preliminary pretrial conference order. Signed by Magistrate Judge Stephen L. Crocker on 9/20/2013. (arw) (Entered: 09/20/2013)
09/24/2013	<a href="#">29</a>	Motion for Extension of Time to Amend the Complaint by Plaintiff Kathleen Wagner. Motions referred to Magistrate Judge Stephen L. Crocker. Response due 10/1/2013. (Wagner, Kathleen) Modified on 9/30/2013. (arw) (Entered: 09/24/2013)
