NOTICE OF APPEAL

NOTICE IS HEREBY GIVEN that LeRoy Bond, Jr., Defendant in the above named case, appeals from the Order or Judgment entered on March 27, 2018. Denial of Writ of Habeas relief under 28 U.S.C. §2255. This appeal follows a guilty plea. This Honorable Court has jurisdiction pursuant to 28 U.S.C. §1291. This appeal is brought because the named Defendant's above constitutional rights were violated.

CERTIFICATE OF SERVICE

I hereby certify that I caused to be filed the foregoing motion with the Clerk of Courts office via U.S. Mail on this 4 day of April, 2018, by placing it in the institution mailbox, postage prepaid, and a copy has been forwarded to Plaintiff at their address of record.

LeRoy Bond

To Whom it May Concern:

Leroy bond Jr is my friend and has been for many years. He was like my brother and my kids uncle. I'm not sure what happened but life went cloudy for him and he made some huge mistakes. No I wouldn't leave him alone with my kids anymore but do I still care about him. Yes, I do very much. And I forgave him for what he's done and so has my daughter.

Yes I think he should get prison time for his actions but I wouldn't say 30 years. He would learn his lesson after his first year. This did not affect my daughter at all as she knew nothing about it because she was asleep.

Thank you for your time.

I am glad that you got all the records I sent, and I hope they are helpful. As far as the appeal goes, I think that we remember things differently. I have attached some of the notes from our online records system that I have. In it, I have recorded that you did not want to appeal. It was right after sentencing. If you had changed your mind, I would have filed one—believe me. You might have it confused with Fritz and the state case, but with the federal you didn't want to appeal. I am sorry. |

But sometime, print Leroy's file (all filed documents) and all discovery and send it to him. Also, please send him the court reporter's information so he can order a transcript of his plea and sentencing. And add this letter. Dear Leroy, It was good talking with you. Everything that we have, you now have. And here is the court reporter's information. I wish you all the luck in the world getting your sentencing reduced. Sincerely, |

I never had one in Milwaukee. The PSR just came back and his guidelines are 360-life and it's bad. The first victim is a 15 yearold who he slept with and took pictures of. No problem there. But the other two are 9 yearolds that he babysat for and took pictures of in their sleep. Creepy. The driving point at sentencing will be his risk to the community, so this isn't really prophelactic covering my ass so we don't need a sentencing memo, but this is legit. | |
