---

Opinion filed April 22, 2016

Appeal from the Circuit Court  
for Orange County,  
Alice Blackwell, Judge.

Denise M. Hammond and Curtis L. Brown,  
of Wright, Fulford, Morehead & Brown,  
P.A., Altamonte Springs, for Appellant.

Todd K. Norman and Bernard H. Gentry,  
of Broad and Cassel, Orlando, for  
Appellee.

PER CURIAM.

AFFIRMED. See *Envtl. Servs., Inc. v. Carter*, 9 So. 3d 1258, 1263–64 (Fla. 5th DCA 2009) (holding noncompetition clause in an employment agreement to be valid and enforceable; the language of the clause was clear and unambiguous, reasonably limited in time, reasonably limited in not precluding all competition, and the lack of a geographical limitation was not critical).
