FILE MOTION FOR REHEARING AND
DISPOSITION THEREOF IF FILED

BRITTANY NICOLE DIEHL AND
LOUIS ROMAN JOSEPH OROSCO,

Appellants,

v.

Case No. 5D19-3771

MIGUEL A. RODRIGUEZ,

Appellee.

_____ /

Opinion filed September 14, 2020

Nonfinal Appeal from the Circuit Court
for Orange County,
Diana M. Tennis, Judge.

Ariel L. Niles and Rania Arwani, of Arwani
Law Firm, PLLC, Orlando, for Appellants.

Stacy J. Ford, of Litigation and Appeals
Advocacy, PLLC, Saint Cloud, for Appellee.

PER CURIAM.

We dismiss this appeal for lack of jurisdiction. *See Campos v. Campos*, 230 So.
3d 553, 555 (Fla. 1st DCA 2017) (holding that repetition of prior ruling in later order does
not operate to resurrect untimely appeal as to prior ruling).

DISMISSED.
