Charles J. Crist, Jr., Attorney General,

This is the State's appeal of the trial court's order suppressing evidence consisting of urine test results on the authority of *State v. Bodden*, 27 Fla. L. Weekly D2382 (Fla. 2d DCA Oct. 30, 2002), *review granted*, 853 So. 2d 1071 (Fla. 2003).¹ We recently decided *State v. Pierre*, 854 So. 2d 231 (Fla. 5th DCA 2003), in which we disagreed with *Bodden*, reversed the suppression order and certified conflict with *Bodden*. Following *Pierre*, we again reverse the appealed order and certify conflict with *Bodden*.

REVERSED and REMANDED.

¹This case was certified to be one of great public importance. See Fla. R. App. P. 9.160(e)(2).
