FIFTH DISTRICT

JANUARY TERM 2013

NOT FINAL UNTIL TIME EXPIRES TO
FILE MOTION FOR REHEARING AND
DISPOSITION THEREOF IF FILED

JESSIE J. CADE,

Appellant,

v.

Case No. 5D13-892

STATE OF FLORIDA,

Appellee.

_____ /

Opinion filed June 28, 2013

3.850 Appeal from the Circuit
Court for Citrus County,
Richard A. Howard, Judge.

Jessie J. Cade, Clermont, pro se.

Pamela Jo Bondi, Attorney General,
Tallahassee, and Kellie A. Nielan,
Assistant Attorney General, Daytona
Beach, for Appellee.

PER CURIAM.

AFFIRMED. See Robertson v. State, 829 So. 2d 901, 906-07 (Fla. 2002) (stating that tipsy coachman doctrine allows an appellate court to affirm a ruling by the trial court that reached the right result, but for the wrong reason).
