v.

GARY A. DECKER, M.D., GEORGE
COMACHO, M.D. and JOY R.
GRIFFIN,

Respondents.

Opinion filed August 29, 2003.

Petition for writ of certiorari--original jurisdiction.

Richard Margulies and Benjamin D. Sharkey of Akerman, Senterfitt, Jacksonville; and Michael J. Dewberry, Charles R. Walker, Jr., of Hedrick, Dewberry, Regan & Durant, P.A., Jacksonville, for petitioners.

John S. Mills and Rebecca Bowen Creed, of Mills & Carlin, Jacksonville, for respondents.

WOLF, C.J.

We deny the petition for writ of certiorari because the trial court's orders granting Dr. Chris Rathburn's motions to compel do not depart from the essential

requirements of the law. See Transmark, USA, Inc. v. State, Department of Ins., 631 So. 2d 1112 (Fla. 1st DCA 1994). We note that, while they are arguably unclear, our reading of the trial court's orders allows petitioners to withhold for later *in camera* review all accountant-client and attorney-client privileged materials relating to the instant litigation.
