

IN THE DISTRICT COURT OF APPEAL
FIRST DISTRICT, STATE OF FLORIDA

ANNETTE CARROLL,

Petitioner,

v.

NOT FINAL UNTIL TIME EXPIRES
TO FILE REHEARING MOTION AND
DISPOSITION THEREOF IF FILED.

CASE NO. 1D04-2931

FLORIDA STATE HOSPITAL and
DIVISION OF RISK MANAGEMENT,

Respondents.

Opinion filed October 29, 2004.

Petition for Writ of Prohibition -- Original Jurisdiction.

A. Dean Johnson of the France Law Firm, P.A., Tallahassee, for petitioner.

Walter J. Havers, Staff Counsel, Office of the Judge of Compensation Claims,
Division of Administrative Hearings, Tallahassee, for respondents.

PER CURIAM.

Because we determine that the Judge of Compensation Claims should have granted the claimant's motion to disqualify, the petition for writ of prohibition is granted. We are confident that the Judge of Compensation Claims will promptly comply with the ruling of this court, therefore, we withhold formal issuance of the writ. Golden v. Florida Dept. of Corrections, 739 So. 2d 1273 (Fla. 1st DCA 1999).

Petitioner's request for a blanket disqualification is denied. Livingston v. State, 441 So. 2d 1083 (Fla. 1983).

ERVIN, BOOTH and VAN NORTWICK, JJ., concur.
