v.

CASE NO. 1D07-0430

BARRY LEE HURST,

Appellee.

_____ /

Opinion filed May 25, 2007.

An appeal from the Circuit Court for Duval County.
E. McRae Mathis, Judge.

Steven P. Combs of Smith Green & Combs, Jacksonville, for Appellant.

A. Russell Smith, Jacksonville, for Appellee.

PER CURIAM.

Upon consideration of the appellant's response to the Court's order of February 1, 2007, the Court has determined that because the Order Regarding Former Wife's Motion for Clarification merely reiterates provisions contained within the previously entered Consent Final Judgment, the order on appeal is not an appealable order. Accordingly, the appeal is hereby dismissed for lack of jurisdiction.
