FLORIDA'S NATURAL  
GROWERS and ALTERNATIVE  
SERVICE CONCEPTS,

Appellees.

---

Opinion filed June 20, 2011.

An appeal from an order of the Judge of Compensation Claims.  
Stephen L. Rosen, Judge.

Dates of Accidents: March 30, 2002; September 6, 2002; July 20, 2005.

Susan W. Fox of Fox & Loquasto, P.A., Orlando, and Laurie T. Miles of Smith,  
Feddeler, Smith & Miles, P.A., Lakeland, for Appellant.

Michael Broussard and Meredith Barrios of Broussard & Cullen, P.A., Orlando,  
for Appellees.

PER CURIAM.

Virginia Washburn, Claimant, appeals an order of the Judge of  
Compensation Claims (JCC) arguing that the JCC applied incorrect legal standards  
in denying her claim for permanent total disability benefits. Florida's Natural

Growers and Alternative Service Concepts, jointly the employer/carrier (E/C), cross-appeal, arguing that the JCC erred in finding that the major contributing cause of Claimant's permanent work limitations was the workplace accident and in awarding Claimant an attorney's fee. We AFFIRM without comment the issue argued by Claimant on appeal. We also AFFIRM without comment the major contributing cause issue raised by the E/C on cross-appeal. Because the JCC reserved jurisdiction to determine the amount of the fee, we DISMISS the cross-appeal for lack of jurisdiction. See Zampell Refractories, Inc. v. Welch, 36 Fla. L. Weekly D790 (Fla. 1st DCA April 14, 2011) (dismissing cross-appeal for lack of jurisdiction because JCC reserved jurisdiction to determine amount of attorney's fee). See also Se. Recycling v. Cottingim, 728 So. 2d 342, 343 (Fla. 1st DCA 1999) (dismissing "portion of order which determines entitlement to attorney's fees but reserves jurisdiction to set the amount of the fee" for lack of jurisdiction).
