

IN THE DISTRICT COURT OF APPEAL
FIRST DISTRICT, STATE OF FLORIDA

ERIC R. HURST,

Petitioner,

v.

NOT FINAL UNTIL TIME EXPIRES TO
FILE MOTION FOR REHEARING AND
DISPOSITION THEREOF IF FILED

CASE NO. 1D13-5636

REEMPLOYMENT ASSISTANCE
APPEALS COMMISSION and
DEPARTMENT OF BUSINESS
AND PROFESSIONAL
REGULATION,

Respondents.

Opinion filed December 26, 2013.

Petition for Writ of Certiorari -- Original Jurisdiction.

Eric R. Hurst, pro se, Petitioner.

Cristina A. Velez, for Respondent Reemployment Assistance Appeals Commission,
Tallahassee.

Garnett W. Chisenhall, for Respondent Department of Business and Professional
Regulation, Tallahassee.

PER CURIAM.

Eric R. Hurst seeks certiorari review of a non-final order of the Reemployment
Assistance Appeals Commission. We treat the petition as one seeking review of a non-

final administrative order pursuant to Section 120.68(1), Florida Statutes (2013), but because petitioner has failed to demonstrate that review of the final agency action of the Commission would not provide an adequate remedy, we DENY the petition without reaching the merits.
