v.

FORD, LLC FORD MOTOR  
COMPANY,

Appellees.

---

On appeal from the Circuit Court for Escambia County.  
Jan Shackelford, Judge.

August 17, 2022

PER CURIAM.

Upon consideration of Appellants' response filed June 13, 2022, the Court has determined that the order on appeal is neither a final order nor an appealable non-final order. Accordingly, the Court dismisses the appeal for lack of jurisdiction. *See Dyes v. Dyes*, 454 So. 2d 746 (Fla. 1st DCA 1984) (dismissing an appeal of an order partially granting a motion for judgment on the pleadings as neither a final order nor a nonfinal, interlocutory order, citing *Sgrignuloili v. Barakat*, 384 So. 2d 657 (Fla. 3rd DCA 1980)).

B.L. THOMAS, KELSEY, and WINOKUR, JJ., concur.

***Not final until disposition of any timely and authorized motion under Fla. R. App. P. 9.330 or 9.331.***
