Case No. 2D10-3066

Opinion filed June 10, 2011.

Appeal from the Circuit Court for
Hillsborough County; Daniel L. Perry,
Judge.

James Marion Moorman, Public Defender,
and Cynthia J. Dodge, Assistant Public
Defender, Bartow, for Appellant.

Pamela Jo Bondi, Attorney General,
Tallahassee, and Sara Macks, Assistant
Attorney General, Tampa, for Appellee.

DAVIS, Judge.

Tammy Lynn Harvester challenges the revocation of her community control after she admitted to violating two conditions of her supervision. We affirm both the revocation and her resulting sentences without further comment. However, the

State correctly concedes that the written order of revocation erroneously reflects that Harvester admitted to violating three conditions of her community control when the transcript of the revocation hearing shows that she admitted to violating only two conditions. The trial court orally revoked her community control based only on the two admitted violations. We therefore remand for the limited purpose of the entry of a corrected written order of revocation which conforms with the oral pronouncement. See McNeil v. State, 908 So. 2d 556, 557 (Fla. 2d DCA 2005).

Affirmed and remanded for entry of a corrected order.
