CASE NO. 3D03-856

THE STATE OF FLORIDA,

**

LOWER

Appellee.

**

TRIBUNAL NO. 99-24958

Opinion filed December 10, 2003.

An Appeal from the Circuit Court for Miami-Dade County, Jose M. Rodriguez, Judge.

Bobbie Hood, Jr., in proper person.

Charles J. Crist, Jr., Attorney General, and Jill K. Traina, Assistant Attorney General, for appellee.

Before GERSTEN, GODERICH, and RAMIREZ, JJ.

PER CURIAM.

The State properly concedes that the trial court erred by dismissing the defendant's motion for post-conviction relief based

on its finding that it lacked jurisdiction. Therefore, we reverse the order under review and remand to the trial court so that it may review the merits of the defendant's motion.

Reversed and remanded.
