TABOR, Presiding Judge.

A patient subjected to an emergency hospitalization order appeals the district court's grant of summary judgment to the medical center and to the police on his claims of false imprisonment and false arrest. Without opinion, we affirm the district court's December 15, 2021 order granting summary judgment to defendant Mary Greeley Medical Center. Likewise, without opinion, we affirm the district court's October 29, 2021 order granting summary judgment to the City of Ames on behalf of its police department and three officers named as defendants. See Iowa R. App. P. 6.1203(a), (d).

AFFIRMED.
