PER CURIAM

Plaintiff, Elizabeth Sylvester, appeals from the district court's ruling of summary judgment in favor of defendants Mills County, the Office of Mills County Auditor, and Carol Robertson. Sylvester's claims arise from an e-mail addressed to Carol Robertson that plaintiff read and found offensive. She asserts the district court erred in dismissing her claims for false light invasion of privacy, intentional infliction of emotional distress, and libel per se. After a careful review of the record, we conclude the district court's decision should be affirmed without opinion pursuant to Iowa Rule of Appellate Procedure 6.24(1) and (4).

AFFIRMED.
