**PETTIGREW, J.**

In this case, petitioner, an inmate in the custody of the Department of Public Safety and Corrections ("DPSC"), sought review of Administrative Remedy Procedure No. HDQ-05-1807, which had denied petitioner's request for good time based upon a second conviction of a crime of violence pursuant to La. R.S. 15:571.3.<sup>1</sup> Following a *de novo* review of the record herein, including the traversal by petitioner and the Commissioner's Report, the trial court maintained the decision by DPSC, dismissing petitioner's suit with prejudice. This appeal followed. After a thorough review of the record and relevant jurisprudence, we find that our case, **George v. Baker**, 99-0234 (La. App. 1 Cir. 11/5/99), 746 So.2d 783, is controlling precedent, and thus, the trial court's judgment was legally correct. Therefore, we affirm the trial court's judgment in accordance with Uniform Rules--Courts of Appeal, Rule 2-16.2A(2) and (6). All costs associated with this appeal are assessed against petitioner, Derrick Lloyd.

**AFFIRMED.**
