In Re: Sheila Guidry, applying for supervisory writs,
19th Judicial District Court, Parish of East
Baton Rouge, No. 601,515.

BEFORE: GUIDRY, CRAIN AND THERIOT, JJ.

WRIT DENIED.

WJC
MRT

Guidry, J., concurs and would deny the writ on the showing made because the plaintiff did not include with the writ application a transcript of the hearing on the motion to compel production of documents. The hearing transcript is necessary for a proper review of the arguments of counsel and the basis of the trial court's decision.
