In Re: Metropolitan Property and Casualty Insurance Company,
applying for supervisory writs, 22nd Judicial District
Court, Parish of St. Tammany, No. 2011-11626.

BEFORE: KUHN, HIGGINBOTHAM AND THERIOT, JJ.

WRIT DENIED. The relevant judgment in this case is the trial court's August 28, 2013 judgment which denied relator's first "motion for new trial, or alternatively, motion for clarification" and stated that the court can assess costs at the conclusion of the case. That judgment was an interlocutory ruling and not a final judgment. However, a party can only request a motion for new trial on a final judgment. The second motion for new trial filed by relator does not serve to extend the delays for filing writs from the August 28, 2013 interlocutory ruling. Accordingly, the instant writ application is denied as untimely.
