

STATE OF LOUISIANA
COURT OF APPEAL, FIRST CIRCUIT

STATE OF LOUISIANA

NO. 2013 KW 1472

VERSUS

AVERY L. RHEAMS

NOV 21 2013

In Re: Avery L. Rheams, applying for supervisory writs, 21st
Judicial District Court, Parish of Livingston, No.
26279.

BEFORE: PETTIGREW, McDONALD AND McCLENDON, JJ.

WRIT DENIED. Relator does not clearly state what relief he seeks. This Court is limited to review of lower court rulings or the failure of the lower court to act on a properly filed pleading. Any application filed in this Court should indicate what relief has been sought in the district court and the result of such filing, and should include a copy of any motions or pleadings filed in the district court that are now at issue, a copy of the district court's rulings, and a copy of all other pertinent documentation. Applications which consist of nothing more than a list of claims or statutory authority without specific factual support present nothing for this Court to review.
